## UEBERT & BEBE ANGEL

With years of full-time ministry behind them, Uebert and BeBe Angel are pioneering and leading voices in proclaiming the Good News of God's grace (Euaggelion) and the prophetic around the world. Between them, they are best-selling authors of *Spiritual Warfare*, *Intimacy*, *Prayer Banks*, *Supernatural Power of The Believer*, etc. Uebert and BeBe Angel are internationally sought-after conference speakers and as global leaders, they are highly regarded for their vision, innovation and boldness. As the founders of the Good News Church (Spirit Embassy), and holding the office of the prophet they have impacted millions of lives worldwide through their passion to win souls by bringing the revelation of the Good News of God's grace (Euaggelion).

**Proverbs 13:22 (KJV)**

**A good man leaveth an inheritance to his children's children: and the wealth of the sinner is laid up for the just.**

Today's scripture shows us that a true son is poised to receive his father's inheritance, even the grandchildren! You see, the moment Elisha was called, he considered Prophet Elijah his master. Hence, the relationship between the two was of a servant and master nature. Throughout his walk and servitude to Prophet Elijah, Elisha called Elijah a master. The reality is that Elisha lived under Elijah simply as a servant!

Imagine, when Elisha said he wanted a double portion of what Elijah had, the reply was it was a hard thing. A master could not bequeath to a servant's inheritance,

so it was difficult for Elijah to readily accept Elisha's request. However, Elijah conditioned his reply and said, "If you see me go," what you asked is yours! The very moment the chariots separated Elijah from Elisha, Elisha recognised that Elijah was his spiritual father, and it was at the point of recognition of fatherhood that the mantle upon Elijah was released on Elisha as a son. Recognise who you are and partake of the inheritance as a son.

Your scripture for today: Obadiah, Psalms 82-83

**Psalm 69:9 (KJV)**

**For the zeal of thine house hath eaten me up; and the reproaches of them that reproached thee are fallen upon me.**

The true secret of success in ministry and spiritual growth is hunger for the things of God. Have you arrived at the point in your life where you have become intentional and deliberate in your pursuit of spiritual matters? Most Christians want to exude power; they want to excel; they want to see the demonstration of power but are unwilling to crave the things of the Spirit.

If you want to be mightily used of God, go beyond your desires and intentions and practice consecration to the things of God and separation to God.

Your prayer life should go beyond one hour, the minimum requirement. Your Bible should not collect dust on the shelf, taken down only on Sunday for church service. You must get deeply acquainted with God's word, for therein you will know the will of God concerning your life. Let it be said of you that you never skip Church or the gathering of saints, and I assure you, your life will shine in this year of Milk and Honey without doubt!

## PROPHETIC DECLARATION

**I am anointed of the Lord and on fire for the Lord! I shall increase in every area of my life. My life is consecrated, separated for the Lord's use in Jesus' Name. Amen.**

Your scripture for today: 2 Kings 1-4

**Luke 13:14 (KJV)**

**And the ruler of the synagogue answered with indignation, because that Jesus had healed on the sabbath day, and said unto the people, There are six days in which men ought to work: in them therefore come and be healed, and not on the sabbath day.**

There will always be religious people, critics, sceptics, and nay-sayers who question what God is doing in your life. They question why you're blessed, promoted, shining, and not them. Why are your marriage and family flourishing and not theirs? Why are you getting the contracts, the promotion, the invitation to be a guest preacher and not them? The questions will continue to come whatever the capacity and level of your calling. Be aware.

Notice in today's scripture that instead of celebrating and rejoicing with the woman who was healed by Jesus, they tried to find fault with the healing process and timing. Let me put it bluntly, those who think that God needs to get special permission from them before blessing you will be surprised at the speed of your rising! Our God needs no approval from the nay-sayers to ensure that you're blessed going out and blessed coming in. Don't even consider their opinions; all that matters is God's opinion about you!

## PROPHETIC DECLARATION

**that you do not become sluggish, but imitate those who through faith and patience inherit the promises.**

When you go to fast-food restaurants like McDonalds or KFC, there are categories of service and corresponding time allotments. A customer who only needs two pieces of chicken or a hamburger will get served very fast and in no time. But when you arrive at the counter with a large order of twenty buckets of twenty pieces each, you will be told to step aside as your order is being prepared. Why? Because your order is a "special order" that needs more time and meticulous attention.

If you see that in the natural people take time and more resources to prepare special orders, as in KFC or McDonalds, how much more in spiritual things! If you want a brilliant wife who's dedicated to the things of God, highly intelligent, beautiful, loving, God-fearing, respectful, good at saving money and tolerant, be patient. You need the God-kind of faith and be prepared to wait. God is working on your special order to ensure you prosper beyond the normal in this year of Milk and Honey!

Your scripture for today: 2 Kings 9-11

**John 1:23 (NKJV)**

**He said: "I am 'The voice of one crying in the wilderness: "Make straight the way of the Lord,"" as the prophet Isaiah said."**

I've observed many people, Christians included, who try to do everything and be everything. John was sent as a fore-runner of Jesus to announce Him to the world, but he did not know exactly who Jesus was. John focused on his calling initially as he continued to baptize people who flocked to him in the desert. His mission was fulfilled when Jesus finally appeared on the scene and was baptized by him with validation by God's voice confirming Jesus' sonship!

As John remained in his calling, there was no problem, but the moment he left his calling and took on the role of marriage counsellor with Herod's love affairs, his life took a nose dive. He was apprehended, thrown into prison and eventually lost his head.

We are Christians, yet each one is called to perform certain tasks for the equipping of the saints. You cannot be everything at once, so carefully identify your calling and work within that setting for maximum output so that you become a blessing to the Body of Christ.

Your scripture for today: 2 Kings 12-13, 2 Chronicles 24

**Mark 5:34 (NLT)**

**And he said to her, "Daughter, your faith has made you well. Go in peace. Your suffering is over."**

The biblical definition of faith is very clear: "Now faith is the substance of things hoped for, the evidence of things not seen." On several occasions, Jesus boldly declared to the sick who were just healed, "Your faith has healed you!" This kind of faith is very rare in our churches today; it is the God-kind of faith, the faith God used in creating the world!

Many people think that they have no role to play in their healing; not so. Whatever you need requires a level of faith. Whether healing or prosperity, no one can do it for you in isolation of their

faith. The power of God is present to heal, and the grace to prosper is there, but the participatory engagement of the person needing the miracle must be activated for the miracle to manifest. Most people blame apostles, prophets, pastors, and evangelists for not getting their miracle, yet they failed to exercise their faith. Let your faith be released now, for your prosperity is being distributed, and money is coming to you in Jesus' Name.

## PROPHETIC DECLARATION

**My faith is boosted! I take hold of every blessing that's mine. My miracle shall manifest in my life! I am living above the ordinary as I exercise the God-kind of faith now. Amen.**

**Genesis 26:12 (KJV)**

**Then Isaac sowed in that land, and received in the same year a hundredfold: and the LORD blessed him.**

Understand the background to this scripture for today: despite a famine, Isaac sowed in the land, meaning he still had seed. At a time when people were looking for what to eat, Isaac still had what to sow. Today, no matter the famine, you will still have seed. No matter the dryness, you will still have something to plant that can yield a harvest for you. No matter the famine, you will still have ideas that bring you profits.

No matter the economic decline, you will still have opportunities that will bring you abundance. No matter the dryness, you'll still have resources to produce more resources! Hallelujah!

produce more resources! Hallelujah!

Dryness may have taken its toll on people in the land of Gerar, but Isaac still had something left, and it became something that God could bless. If there is something left in your hands, in your house, then there is something that God can bless. If there is still any strength, effort, idea, or opportunity, God will use it to orchestrate a blessing that will blow your mind in this year of Milk and Honey.

**PROPHETIC DECLARATION**

**I decree and declare no famine will swallow my seed. I shall sow towards the things of God, and I shall reap bountifully in season and out of season. Hallelujah! Amen.**

**Luke 10:19 (KJV)**

**Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.**

If you want to see the potency of the anointing you carry manifested, you must be prepared to exercise your faith and act. Understand what the Word of God says you are in Ephesians 2:10 (NLT), "For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago." We are members of Christ's Body, so when you move, Jesus is moving.

Begin to practice on yourself with that persistent headache and wrist pain. Speak with boldness in faith, standing

on the authority you have in Christ, and see yourself healed! When you see the sick out there, know the power you carry and begin to exercise it. Don't wait for someone else to do it; you are the one with the authority to heal the sick. Speak to circumstances and see them change in the Name of Jesus. Hear the Word of the Lord: "All power in Heaven and on Earth had been given to Me, and I have given it to you." Take charge!

## PROPHETIC DECLARATION

**I will cause your descendants to become as numerous as the stars of the sky, and I will give them all these lands. And through your descendants all the nations of the earth will be blessed. I will do this because Abraham listened to me and obeyed all my requirements, commands, decrees, and instructions.**

If the obedience of Abraham caused God to bless Isaac and his seed, just imagine what would have happened to if Abraham had been disobedient. Imagine what your own disobedience to God could be costing your next generation. Imagine the damage you may be doing to the future of your offspring by doing what God would not have you do.

Don't be counted amongst those whose disobedience caused problems for their generations. Like Abraham, let your obedience to God cause Him to show favour to your next generation. Proverbs 13:22 says, "A good man leaveth an inheritance to his children's children: and the wealth of the sinner is laid up for the just."

You have been given certain responsibilities in this last dispensation for a unique reason. Obedience respects the moment of the command. When you are given an assignment in the house of the Lord, do it with speed.

### 1 Kings 18:42 (KJV)

So Ahab went up to eat and to drink. And Elijah went up to the top of Carmel; and he cast himself down upon the earth, and put his face between his knees.

See how Elijah prayed with his head between his knees. The strategy our Lord Jesus used to get the money changers out of the temple was not prayer and fasting but turning their tables upside down (Matthew 21:12). The woman with the issue of blood (Luke 8:43) was not anointed with oil; she merely touched Jesus' garment and was made whole. In Matthew 8:8, Jesus didn't need to travel to the centurion's house to heal his servant. Yet, it happened because of the audacious faith of the centurion.

Whether it is laying hands on the sick and they recover, sick people passing through my shadow and getting healed, or just kicking the air and people falling under the power of the anointing, these are spiritual dynamics powered by the Holy Ghost. Whatever methods and channels God uses this year for the flow of milk and honey towards you and your family, receive it, for God has a billion ways to bless you with a billion dollars. Catch it!

Yes, the Lord gives the Word, and great are those that publish it! The word 'company' in the Hebrew rendering means 'mass of people,' especially organised for war (an army), by implication a campaign. Now you see, in the army, there is no waiting when the battle cry is made, no idleness, no hesitation.

In like manner, the publication of the Word must be immediate. This last dispensation requires speed and urgency to spread the Word like never before. This is a campaign, and every platform, social media outlet, television, radio, Internet, and mobile phone must now be

inundated with the GOODNEWS. Do not get tired; do not be weary. Not a single day should pass without your publication or posting.

There is no time for laxity. Church, or Christianity as we know it, is under severe attack as the enemy knows it is now timeout for him. "Do Not Say I Didn't Warn You." Familiar with this? Yes, to those of the GOODNEWS WORLD, GOODNEWS NATION, you are aware, but millions out there still need to be saved. They need Christ. **Deuteronomy 11:10 (KJV)**

**For the land, whither thou goest in to possess it, is not as the land of Egypt, from whence ye came out, where thou sowedst thy seed, and wateredst it with thy foot, as a garden of herbs:**

The journey from Egypt to the promised land was tedious, hazardous, and challenging. Yet, God provided for them supernaturally for forty years. In the promised land, you must occupy to settle. You must dig your heels in and tell that sickness, "You will not have me!" Tell that financial situation, "You will not embarrass me." Tell Satan and his cohorts, "You will not destroy my marriage!" Stand your ground and take hold of your possessions!

Inheritance belongs to sons. Notice, it was Joshua who crossed over with the Israelites into the promised land. The year of Milk and Honey means the sons have entered their promised land, and you have entered your inheritance. This is your season to occupy; possess your possessions! Bear in mind, this is not a gentle, kind, friendly takeover of the promised land, for there are giants in the land that will oppose your entry. So, if you're not born with it or into it, fight for it!

**And if a man also strives for masteries, yet is he not crowned, except he strives lawfully.**

I talk to many of my spiritual sons and daughters, those with global and national ministries, and this goes for you, too: focus on what you do best. If you're good at teaching the word, stick to it. If you're good at the prophetic, focus on prophesying, and if it's evangelism, then evangelise. The moment you deviate from your calling, you have invited trouble. The principle here is to stick to your calling and see God move you from glory to glory in different dimensions. You cannot be a Jack of all trades and master of none.

John the Baptist strayed from his assignment as a forerunner of Christ baptising in the wilderness and took on the role of a marriage counsellor for Herod, then ended up losing his head. Gaining mastery in what you do catapults you to new dimensions with speed. Discover your calling and stick to it. In this year of Milk and Honey, as you move in your calling, I decree and declare an overflow of fresh anointing to announce you to your global audience in the Name of Jesus!

When I saw among the spoils a goodly Babylonish garment, and two hundred shekels of silver, and a wedge of gold of fifty shekels weight, then I coveted them, and took them; and, behold, they are hid in the earth in the midst of my tent, and the silver under it.

Money is a very sensitive subject to some within the body of Christ. Most Christians associate money with the devil and oppose prosperity, accepting poverty as a form of godliness and penury as piety. No wonder God said, "My people," not people from outside the Church, but His own people die because of lack of knowledge. They take offerings during church services and conferences, yet they say money is evil. See how they get the Word of

God twisted!

1 Timothy 6:10 says, "For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves ...." The love of money is the root of all evil, not money itself! A couple bitterly arguing at each other's throats, check it thoroughly; the root cause will be the love of money! As for you, in this year of Milk and Honey, money will not escape you. You will experience the sweetness of being wealthy and prosperous. MONEY IS HERE! TAKE IT!

Your scripture for today: Micah

**Psalms 119:130 (NLT)**

**The teaching of your word gives light, so even the simple can understand.**

When we exude scriptures, we bring light to ourselves, individuals, families, institutions, communities, and nations. The amount of light you possess through the Word determines the extent of your dominance and prowess in the realm of the Spirit. You cannot be bankrupt of the Word and expect to dominate in the realm of the Spirit. Our Lord Jesus, when He confronted Satan in the wilderness, didn't treat the enemy casually but stood His ground on "It is written!" Jesus applied the Word to defeat the arch-enemy.

Jesus, in John 1:1, is the Word of God, yet He teaches us by example to go for

the Word when under attack by the enemy. It is not how you feel or your opinion about the situation but what the Word says! You may be overdrawn, busted, and poverty may think there's no way out of your condition, but the Word says, let the poor say I am rich! Go for the Word and see poverty flee out of your life. Read the Word, study the Word, meditate on the Word, and by so doing, you infect your environment with light that will transform your destiny forever.

**Acts 10:4 (KJV)**

**And when He looked on him, He was afraid, and said, what is it, Lord? And He said unto him, thy prayers and thine alms are come up for a memorial before God.**

There's an unquenchable combination of spiritual realities that catch God's attention in a dramatic fashion. Cornelius' prayer and giving effectively blocked God's panoramic view of planet Earth. God didn't visit him in a dream as he did with Solomon, but instead immediately dispatched an angel to announce his impact in the heavens. Giving backed up with effectual prayer becomes an irresistible force that changes destinies and generations. God clearly states in His word that He's unwilling to do without a prompt to give giver. A giver has

a front-row seat in God's assembly!

One man's prayer and giving made him the first successful candidate through whom salvation came to the Gentiles. When you're a prayerful giver, you're kept under God's radar permanently. I'm surprised at Christians whose sole intent in bringing about a generational change is through the vehicle of prayer yet neglect or pay little attention to giving! From our scripture for today, prayer and giving must be simultaneously engaged to experience the full measure of Milk and Honey this year.

One thing I noticed about God in this scripture is that God did not only bless Isaac; He caused Isaac and his seed to become conduits of blessings. God's idea of blessing Isaac was to make him a conduit of the blessings of heaven and bless nations through him. As you receive the blessings of God upon your life, always remember that there are nations that should be blessed through you. Your blessings are indications that you should be a blessing to many more people.

God's end-time purpose for blessing you is for you to serve as a pipeline

The youth are the Church of today and it's great to see that they are connected, equipped and empowered to share the gospel of Jesus Christ and the revelation of our man of God **Prophet Uebert Angel** to the nations of the world.

The prevailing perception of Christian youth as merely recipients of spiritual guidance is changing rapidly. They are now viewed not as passive onlookers but as active participants shaping the direction and even the ideals of the church. Mass fields of young souls are ripening all around the world, and are ready for harvesting and through the Global Youth Evangelism outreaches, thousands of young people are leading the charge to win as many souls to the Kingdom of God.

Join our young Rebels for Christ on this remarkable journey as they take to the streets, towns, cities and nations to share the Word of God through the Angel Messenger, the GoodNews Daily devotional.

**Acts 19:12 (KJV)**

**So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.**

The Bible says Paul's handkerchiefs were used to heal the sick. Notice that the handkerchief is simply a conduit, a channel through which the anointing flows. If you want to see the potency of the anointing you carry being manifested, you must be prepared to exercise your faith and act. Understand we are members of Christ's body, so when you move, Jesus is moving.

Imagine a handkerchief has no feeling; it does not hear; it is inanimate, yet Apostle Paul's handkerchief was used to heal the sick when they came in

contact with it. So, what about you, a living, breathing, tongue-talking, Spirit-filled Christian? When you see the sick out there, you know the power you carry, so begin to exercise it. You are better than a handkerchief! You are the conduit of the anointing!

**Hebrews 12:29 (KJV)****For our God is a consuming fire.**

There was a time when the prophets of old had to challenge public opinion publicly. Joshua asked a wavering assembly who they would serve and declared, "As for me and my house, we will serve the Lord." Confronted with a similar scenario of waverers, Isaiah asked, "Whose report will you believe?" As for Prophet Elijah, his question to the masses was clear in 1 Kings 18:21: "How long will you vacillate between two opinions? If Baal, be god, then serve him, but if God be God, then serve Him," and Jehovah Chikopokopo (the One who needs no runway) answered Elijah by fire.

Our God is a heavyweight. He is beyond comparison – the One who starts from the end and finishes at the beginning. It does not matter what part of the year of Milk and Honey; our God holds time in His hands, and His timing is always perfect. Your business will not go under, your children will not go wayward, and your finances will not dry up! The good work started in you already in this year of Milk and Honey will not cease. The Promised Land is a land full of milk and honey, that's a fact, but the Promised Land also has giants that need to be annihilated. The Promised Land requires conquest and, therefore, a warrior's altitude; it requires discipline, the tenacity of a bulldog, and a change of character. You have moved from the environment of manna, where God supernaturally provided angels' food for your daily bread, to a land of hostility.

The Bible says from the days of John the Baptist till now, the Kingdom of God suffers violence, and it is the violent that takes it by force. The wait is over; you have arrived in your Promised Land. The One who promised is able to deliver when you focus on Him, not the size of the giants, not the size of your problems, not the size of the budget for that project. Certainly, He who gives the vision is more than able to give the provisions.

**Hebrews 6:13 (KJV)**

**For when God made promise to Abraham, because he could swear by no greater, he swore by himself.**

Generals of old carried the presence of God because they fraternise with Divinity! They have an affinity with Divinity that makes them spiritual entities. See the audacity with which Moses spoke to God in Exodus 32:12: "Why let the Egyptians say, 'Their God rescued them with the evil intention of slaughtering them in the mountains and wiping them from the face of the earth'? Turn away from your fierce anger. Change your mind about this terrible disaster you have threatened against your people!" When Moses spoke, God listened and God repented from His anger!

There's no way Moses would have spoken to God with such impudence if he hadn't fraternised with Divinity! The Bible says in 1 Corinthians 2:16, "For who has known the mind and purposes of the Lord, so as to instruct him?" But we have the mind of Christ [to be guided by His thoughts and purposes]." Read God's Word daily with understanding to know His mind and thoughts for your life in this year of Milk and Honey!

## PROPHETIC DECLARATION

**2 Chronicles 15:7 (KJV)**

**Be ye strong therefore, and let not your hands be weak: for your work shall be rewarded.**

A cow generally resists when it senses it is about to be milked. So, milking the cow will meet with resistance, opposition, and hostilities. Get used to this. As you rise, there will be battles unleashed from hell to arise against your next level of greatness. In this your promised land, effort will be required, early morning rising regardless of climatic conditions and challenges. Yes, milking a cow is wearisome and laborious under the guise of dawn, but be strong!

I prophesy that your labour will never be in vain as a child of God. The Word of God is tried, tested, and proven for

success. Productivity has come to you in this year of Milk and Honey. Where things have been stagnant in the past, by reason of the smoothness of honey and fluidity of milk, you will not struggle to achieve great results in your field, your marriage, your business, and your career. Your finances will take on new meaning with uncommon expansion of figures and profits that will certify your gains as a harvest of a promised land! Amen.

**2 Kings 6:6 (NLT)**

“Where did it fall?” the man of God asked. When he showed him the place, Elisha cut a stick and threw it into the water at that spot. Then the axe head floated to the surface.

Some people within Christianity try to downplay the importance of the prophetic within the Body of Christ but don't fall for it. In the absence of the prophetic, how will the axe head be recovered? “Where did it fall?” the prophet asked. ‘Fall’ in Hebrew is *naphal*, which has to do with ‘lost’ and ‘cast down.’ So, the prophetic recovers and restores that which was lost. I speak now as a prophet: when men are cast down, there is lifting for you and your family!

2 Peter 1:19 (AMP) says, “So we have the prophetic word made more certain. You do well to pay [close] attention to it as to a lamp shining in a dark place, until the day dawns and light breaks through the gloom and the morning star arises in your hearts.” The prophetic brings light; it is sure and certain, for God entrusts His Word to the prophets, and when spoken, the confirmation thereof cannot be disputed.

**PROPHETIC DECLARATION**

**The prophet is my advantage. When the prophetic word is released, I shall not suffer loss; I shall recover all; my finances are booming, my health is brilliant, and my family is Milk and Honey! Amen.**

**For he had possession of flocks, and possession of herds, and great store of servants: and the Philistines envied him.**

Did you know that your total submission to God can be a platform for Heaven to release blessings on your offspring? What you do in ministry for the house of God, and what you do in your walk with God, can position your generations for blessings they did not necessarily merit. Did you know that you can serve God in a way that paves the way for the greatness of your offspring? Did you know that your servitude when it comes to the things of God is a blessing for your posterity?

We recalled in Genesis 22:17 that God was going to cause the seed of Isaac

to multiply as the stars in the sky; He was going to give them countries; He was going to bless them greatly because of Abraham's full compliance with God's instructions. What Abraham did right caused God to do good to his descendants. May it be recorded in Heaven that your faithfulness to God caused Him to show kindness to your children in this year of Milk and Honey!

## PROPHETIC DECLARATION

Your scripture for today: Isaiah 37-39, Psalm 76

**Matthew 12:37 (KJV)**

**For by thy words thou shalt be justified, and by thy words thou shalt be condemned.**

The confession of some Christians is surprising! They say things like, "I'm starving!" You will starve! Or "This migraine is killing me!" so, what do you expect? Some say, "Money ends before the month ends;" of course, it will happen. You see, your mouth is the one that kills you. Angels are there to respond to your words, so speak the right words. The day you say, "I am rich!" angels will get on assignment immediately and say, we don't see proof of the riches; it's our duty to make that happen. They'll orchestrate the right things and connections to stampede towards you and attract riches to you!

Words are objects, not just empty sayings. Begin to speak what you want to happen instead of the prevailing circumstances. Don't speak to your spouse, your children, your work colleagues, your parents and your friends out of frustrated inclinations or emotional impulses, but speak out of a spirit of love and a sound mind. Let not circumstances dictate the words you speak out, but let your speaking carry the expectations of a conqueror!

**Genesis 28:16 (NLT)**

**Then Jacob awoke from his sleep and said, "Surely the LORD is in this place, and I wasn't even aware of it!"**

Jacob was asleep both physically and spiritually. Sadly enough, angels were bypassing him, delivering answers to other people's prayer requests, whilst Jacob slept all night. The promised land will require men who are wide awake to the reality of who they are and Whose they are. 2 Corinthians 5:17 says, "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." The word 'behold' here is 'see,' 'awaken to the reality' of who you are in Christ!

Take your position as a royal priesthood, a peculiar people. The Architect of the universe lives on the inside of you by His Spirit. You are not alone. Awaken to the reality that the promised land is flowing with milk and honey and not barrenness, so speak to any and every barren situation in your life right now, and experience fruitfulness in the Name of Jesus!

**Mark 11:24 (KJV)**

**Therefore, I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.**

Understand the importance of prayer. Prayer is a protocol, like the way you see security guards or secret agents sent ahead of a very important dignitary; prayer can be dispatched ahead of you, and it arranges everything that needs to be done before your arrival, being assured that all impediments, hurdles, and ambushes are removed. Prayer enforces advanced surveillance to secure the terrain, neutralises all dangers and creates an environment of success.

The Word of God says when you pray, not if. That means prayer is not an option but an enactment of the Christian to enforce God's will for their life. Your targeted strike is the prayer point to avoid praying amiss. Prayer on an advance mission carries out confrontation with the enemy to ensure victory is achieved. It is imperative to engage in prayer like never before to ensure that whatever you resolve to see manifested in your family, your business, and your finances becomes visible in this year of Milk and Honey!

## PROPHETIC DECLARATION

**I am sending forth prayer from my command-and-control chamber. What I want to happen shall be apparent as I pray. My impact shall be felt in the realm of the spirit as I pray. I'm not holding back; I shall continue to travail in prayer. Amen.**

This is a year of Milk and Honey, which entails your arrival in the PROMISED LAND! It is your promised land; it belongs to you, not someone else or other groups of people. You are to take centre stage in making sure that you get the right portion of your inheritance. In the promised land, the blessings are on you. You are the carrier of the blessings with your family, not your neighbour, work colleagues or government!

Whatever the policies and government in place, your blessing will not be affected, your prosperity will not be curtailed, and your rising will not be diminished, for greater is He that is in you than he that is in the world. You're connected to the economy of Zion, a plenipotentiary of the King of kings. You operate from a position of strength; you're from above, seated with Christ far above powers and principalities, none of which can exercise authority over you. Take your position now as a winner!

**1 Corinthians 14:10 (KJV)**

**There are, it may be, so many kinds of voices in the world, and none of them is without signification.**

There is no sound without signification. Every sound made, whatever the cadence, rhythm, sequence, and vibration, has a meaning. Some sounds are signals for war, some are victory chants, and some are celebratory sounds. Joshua and his men paraded around Jericho, making sounds with their feet for six days. On the seventh day, they shouted with a shout - a sound that made the walls of the fortified city crumble! It's time to make sounds that create corridors and highways for your immediate answer.

When we pray in the language of the Spirit, we are making sounds with groanings that cannot be uttered in articulate speech. When you pray in the language of the Spirit, you don't need to understand it; there's no need for natural intelligence to comprehend, but be assured that any walls of Jericho blocking your finances, your marriage and your children's advancement are coming down in the Name of Jesus!

**PROPHETIC DECLARATION**

**2 Peter 3:9 (KJV)**

**The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.**

The Lord of Harvest desires that all should turn to Christ, and that is without exception. However, right now, Hell is populated with lost souls! Whilst we are saved, there are people on Earth walking around in our neighbourhoods and communities on Hell's registry! God, through Apostle Paul, exhorts us to pray for all men. That is more than an encouragement; it's a subpoena - it's mandatory!

The chilling reality is we are living on borrowed time! An onslaught of de-

ception has taken hold of structures and systems that we have entrusted to lead us. Deception is the last straw, conspicuous and widespread around the world, leading many to Hell in droves. Our mission is to pray without ceasing for lost souls. The times we're living in that exhort lies as truth and truth as false is an agenda of the enemy to capture as many as possible to populate Hell. Your heart should genuinely go out for souls: lives to be snatched from Hell and won for Christ. The time is now!

**Then saith he unto me, see thou do it not: for I am thy fellow servant, and of thy brethren the prophets, and of them which keep the sayings of this book: worship God.**

To fraternise means to associate or to befriend someone. Do you know there is a dimension in the spirit where you become one with spiritual entities? The angel confirmed that John was in the same realm as them, being a fellow servant. Imagine an entity coming from Heaven, with all the power and glory, but still saying I'm the same as you. It sounds very remote and far-fetched, but if you can only realise who you are in the spirit, you will be a mountain shaker yourself.

As you grow in the knowledge of God through His Word and teachings, light is coming into you, and that same light is what gives you recognition in the realms of the immortals. There are no two ways about it; it's our year to see abundance and progress like never before. The fact remains that the enemy will try by all means to spoil your miracle with dung and bees. It might be miscalculations in your business, persecution in ministry or negative talk around you but just know that God said it's your year of Milk and Honey.

When purpose and calling are discovered, success is imminent. However, many people's tragedy is knowing what they are called to do. When you do your correct assignment, operating in the right lane, provision will always be available. Where there is a vision, God will send provision.

John gave us a real strategy for recognising the correct thing to do. He said he was baptising with water because he didn't know Jesus. He was waiting to see the One on whom the Holy Spirit

would descend. You might not know what business to do, but just baptise all, and the one on which money will flow is the right one. Do everything until you locate the one that has your money.

Do not fold your hands whilst waiting for the right thing; just do something, and in the process of it, you shall discover what's yours. Just baptise all and yours shall be discovered.

Many people say, "Man of God, we're just trying to push under the circumstances." My question is, "What are you doing under the circumstances?"

Brothers and sisters, we live above the circumstances. The Bible says when they say there is a going down, we shall say there is a lifting up. It's not just a mere confession but a statement of faith and truth because we shall surely go up. We do not sink when others sink because our supply and sustenance are from above.

How can you lack or go down if the One inside you does not lack or struggle?

You are a seed of God, and poverty or sickness is not your portion. You shall continue to dominate and take over nations by the power of the Holy Spirit. When they tell you about all the calamities befalling the financial markets, tell them you refuse to participate in the Name of Jesus! Poverty, recession or inflation might be there, but as for you, refuse to participate!

Your scripture for today: Nahum

**Genesis 3:11 (KJV)**

**And he said, who told thee that thou wast naked? Hast thou eaten of the tree, whereof I commanded thee that thou shouldest not eat?**

The bedrock of character, behaviour or belief is information. It has the power to program you for failure or success. When the devil comes, he uses information to grip you, and what chases him away is the light gained through the acquisition of information. When the enemy visited Adam and Eve, he used information to lure them into eating the fruit, thereby exposing their nakedness. When God came down, He did not ask how they got naked but who told them that they were naked.

Create a buffer and place a premium on the information that gets into you. Some sermons and books are just there to expose your nakedness. God redeemed you and there is no more blemish on you. Who told you that you are sinful or weak? That's information from the devil. You are a chosen generation and a new creature in Jesus Christ. All things about you are new.

**Matthew 24:24 (KJV)**

**For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.**

Deception is the act of hiding the truth from someone in order to take advantage of them. Jesus said in the last days, meaning the end of the end, deception shall be prevalent. Therefore, we need to know the biggest gateway for deception the enemy will use. Jesus said to beware of false teachers, which means the teaching ministry is what the devil will try to use to deceive many. The kind of teaching you listen to is either a setup for deception or an escape from deception.

Choose who and what to listen to carefully because this is what determines whether you will be deceived or not. The cure for deception is knowledge. Gain knowledge through the reading of the Word and sitting under correct teaching. As you read this prophetic message, light is coming to your spirit. It shall never be easy for the devil to deceive you. Commit yourself to the Word and do all you can to know it for yourself. We are living in a world where even grown men and women can't handle anything because they are still in search of their physical fathers who might have disappeared when they were not yet born. Most of these men and women suffer from a lot of emotional distress because of this.

The desire to know your genealogy can be a real threat to life. Some are thirsty only for belonging, they desire to at least belong to a certain class or group of people. Yet the Bible says we are the seed of God, born from on high. That is our real identity.

Remember, even Jeremiah was told by God that he was known by God before he was even formed in his mother's womb, which means he existed in another realm before getting to his physical family. You are the seed of God, and his DNA is imprinted all over you.

Lebanon is very harsh when it comes to its climatic conditions. Sometimes harsh, stormy winds will sweep through the breadth of the country, causing mass damage to structures and trees. There is one tree which is the main subject, the palm tree of Lebanon. This tree survives even the harshest of the storms. The palm tree of Lebanon will simply bend and return to its original position. It bends, not because it's weak, but because it's flexible. **John 4:35 (KJV)**

**Say not ye, there are yet four months, and then cometh harvest? behold, I say unto you, lift up your eyes, and look on the fields; for they are white already to harvest.**

The call to win souls is for every Christian. Bringing more souls to the Kingdom should be natural for those born of God. I have heard many ministers who go out to plant churches or do crusades come back saying the ground is very hard. When they mention the ground, they refer to the general environment where they're trying to win souls, which is a bad move when it comes to soul winning. We have thousands of churches and cell groups, and this is the knowledge that brought me results, so stay with me here.

The Bible says we should look up, not down or on the ground. When you observe the ground, know you've taken a wrong turn because the Bible never instructed us to look on the ground. Christ is the giver of the harvest, and He said the harvest is plenty and effortless to bring it home. We don't have to look for the soul; they're already available. We just go and win them to Christ. Hallelujah!

Your environment might seem intimidating but just know your harvest is plenty. Even youth are agents of change and evangelism. Someone somewhere is waiting for you to come and minister so they can receive Christ. Look up!

I beheld till the thrones were cast down, and the Ancient of Days did sit, whose garment was white as snow, and the hair of his head like the pure wool: his throne was like the fiery flame, and his wheels as burning fire.

Every problem that befalls you is trying to undermine the power of God. Still, no situation is greater than God. God existed before time began, and there's nothing new, either negative or positive, before the sight of the Lord. No matter how complicated your situation is, God remains the supreme office.

Daniel called him the Ancient of Days. It means even the days call him old. When you worship Him, you're not worshipping an idol that was sculptured

yesterday but the One who existed before time began. He knows you inside and out; your situation is nothing new to Him.

God can't be voted in or out: He sits in the circumference of Himself. That sickness in your body, or the situation at your workplace or school, can't compare to His power. See a turnaround in every facet of your life because the Lord's hand is upon you. Glory!

**And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.**

When God created the Earth, He gave man a mandate to dominate it. Adam was given all rights over the soil and all living creatures. This is why when God created Eve, He did not touch the soil: it was already under Adam's authority and jurisdiction. Instead, He had to reach into Adam, the one He created and had control over.

All things are ours, brothers and sisters, and for God to intervene in the affairs of men, He needs to be licensed by men. I know you're already asking, how does one license God? The answer is prayer. When we pray, we give God license to intervene in our affairs. The Bible says men ought to pray and not faint, which means the moment you stop praying, you're fainting.

Take time to pray every day, starting today, and God will intervene in that situation that is giving you sleepless nights. Even if you feel tired and weary, take time to pray just a little, and God's Spirit will remove every yoke in the Name of Jesus.

When it comes to furniture in your house or clothes in your closet, there are some you can easily give away, but some are indispensable. You actually feel that you can't even afford to lose them; they are irreplaceable. The same principle applies in the house of the Lord. There are people whom God does not want to lose. He values them as Kingdom assets based on what they do. It might be because of their commitment to a church department, giving, or anything that is considered a Kingdom role.

In our scripture for today, Jesus told His followers even if the people of this world refuse to worship, stones will rise up to worship. God has a quick replacement.

Don't let your replacement be found whilst you are still alive. Be irreplaceable! That position you're holding now, as long as you want it, you shall never be replaced, in the Name of Jesus. **Psalms 55:22 (KJV)**

**Cast thy burden upon the LORD, and he shall sustain thee: he shall never suffer the righteous to be moved.**

Those who leave everything in the Lord's hands will always have God's hands in everything. People often bother themselves with issues they shouldn't bother themselves with. Remember, you didn't come to this place by accident; the Master knew you before you were formed in your mother's womb.

God is more aware of the desires of your heart and knows everything you need, even more than you know. When you pray today, surrender everything to Him, and He will settle your case. You shall not be consumed by any circumstance, and every burden is

being taken off your shoulders in the Name of Jesus.

**Jeremiah 1:4-5 (KJV)**

Then the Word of the LORD came unto me, saying, Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

The word 'knew' in this verse is 'yada' in Hebrew, which means having experiential knowledge. God had a personal experience with Jeremiah before he was formed in his mother's womb. You existed somewhere before you came to this earth. Therefore, He knows you better than anyone who might try to pull you down. You have a greater record of success from the One who knew you before your friend, teacher or pastor.

Circumstances might try to diminish the glory of God in you, but just know this one thing for sure: God knows you better than you know yourself. He is closer to you than you are to yourself. Square up your shoulders and tell everything around you that you are known better by Someone who is higher than every authority on Earth. Some rejoice because of their worldly connections but your God is the biggest connection. Your money is coming and your health is more than certain in the Name of Jesus.

**Philippians 2:13 (KJV)**

**For it is God which worketh in you both to will, and to do of his good pleasure.**

There is a better understanding of the Word, brothers and sisters, where you realise that God is not a miracle worker. To label God as a miracle worker is to know him in a very generic way; when you get a better understanding, you realise that you are the miracle worker. I know it sounds taboo, but that's the perfect knowledge of Christ you need to possess.

The Bible says we are members of His body, which means when He moves, it's us moving. We are a composition of His make and actions. We are the doers of the deeds. Apostle Paul says I can do all things through Christ who

strengthens me. Who is doing it? It's actually you!

When you get a hold of this revelation, nothing will move you or shake you. You will not only have confidence but also "Godfidence." Begin to command every miracle to come into being in the Name of Jesus. Don't wait for God or any spiritual entity for a miracle to happen. Speak it and work it out in the Name of Jesus.

**Jeremiah 20:9 (KJV)**

**Then I said, I will not make mention of him, nor speak any more in his name. But his Word was in mine heart as a burning fire shut up in my bones, and I was weary with forbearing, and I could not stay.**

A summons is a court order that demands you to be present or to follow a particular order. It might be delivered by a messenger on a bicycle, but its power is attached to its source. A heavenly summons is higher than a burden; it's a pull you can't resist or argue with. These are superior calls of God.

Prophet Jeremiah tried to quit, but the Word of the Lord was like fire shut up in his bones, no matter how he wanted to resist it. Why do you follow this Good-

news message regardless of all the attacks we get. It's because God summoned you to be part and parcel of this commission.

Listen to the summons of God, and your testimony will be discovered inside your assignment. Whatever you're hearing the Spirit command you to do, do not delay. Do it urgently. You might be summoned to preach, give, or carry out a certain duty. Today is the day to start.

# GOODNEWS TESTIMONIES

## Michelle Louise

Growing up Michelle suffered a lifetime of abuse, she was homeless at 14, seeking the pleasures of this world. She spent 15 years working in night clubs and was continually chasing an escape from this world and almost lost her life in October 2021 by consuming an overdose of alcohol and drugs. She reached an all-time low in her life and cried out to God. It was only a few days later that God ordained her steps to Spirit Embassy The GoodNews Church. She was captivated by the profound teachings of Prophet Uebert Angel. Jesus Christ has now completely healed her from all the trauma that she experienced as a child and she now finds comfort in reading the GoodNews Daily every morning as it keeps her aligned with God's Word daily.

## Michael Mason

Michael came to know Spirit Embassy and the teachings of Prophet Uebert Angel through Youtube. For many years he had been discouraged by his past experiences with dating and finally asked God to be his matchmaker. For the first time in his life, Michael put all his trust in God. He listened to the many teachings by Prophet Uebert Angel and understood that marriage should be for ministry. In 2022 he met a woman of God and in April 2023 God answered his very prayer and he married the perfect woman for him, who was set apart and on fire for the Lord.

## Kyle Palmer

Three years ago Kyle's biological father passed away and it made it hard for him to remain consistent in his walk with the Lord. He became really bitter and stopped going to church completely. He was invited to Spirit Embassy in November 2021. He thought it was like every other church he attended in the past, until the congregation started to sing the GoodNews Anthem. It was in that moment, he realised that this is more than a church, it is an extension of his family. In that moment he experienced the tangible love of God. Although his biological father has gone home to be with the Lord, God has blessed Kyle with a spiritual father - Prophet Uebert Angel and as a result he has completely changed the trajectory of Kyle's life through his teachings.

## Samarpit Dongardive

Samarpit attended Spirit Embassy, The GoodNews Church in January 2023, and it marked a huge turning point in his life. He had always been curious about matters such as spiritual warfare, and the existence of spiritual beings, and this is the exact place where he found the answers to all of these questions and more, through the profound teachings of Prophet Uebert Angel. Since joining the ministry, he has been blessed with countless testimonials, including numerous divine angelic encounters. By applying what he has learned he has grown deeper in the knowledge of God.

## Shiney Santosh

In September 2022, Shiney was walking up a flight of stairs, and was suddenly gripped by a sharp pain in her right leg. After being examined by neurosurgeons it was revealed that she had compressed nerves stemming from a disc bulge in her spine. She was confined to a hospital bed for three days. The surgeons recommended surgery on her lower spine, warning that a failure to proceed could result in permanent leg damage. Throughout this ordeal, she was guided by the teachings of Prophet Uebert Angel through the book "God's Medicine." Prophet Uebert Angel also declared the cancellation of all surgeries and as the day of her appointment arrived she declared divine health over her life and was completely healed from head to toe. She did not any surgery. Praise God, she received divine healing in her body.

## Malindika Perera

Prophet Uebert Angel introduced Jesus Christ as a lifestyle to Malindika in 2019, and he soon realised that Christianity is not a religion, it is a relationship with our Lord and Savior Jesus Christ. Before joining Spirit Embassy The GoodNews Church, Malindika had never heard the gospel being preached with such profound revelation. Every word he heard being preached, touched the very core of his Spirit. Through the teachings of Prophet Uebert Angel, he began to grow in his personal walk with the Lord. Prophet Uebert Angel has opened his eyes to truly see and understand the gospel like never before.

**2 Peter 1:12 (KJV)**

**Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth.**

The revelation of God is never static or stagnant but progressive. What made sense in the olden days might not make sense today. Therefore, God will pour out fresh manna from time to time. You don't need God who resides in history but the One who lives in the now.

We all know that God parted the sea in the days of Moses, but you need the One who divides your own sea today. Yours might be a financial situation or health issue which demands a "now" miracle.

The Bible says be established in the present truth. For there to be present truth, it means there is past and future truth. We used to know Jesus as our waymaker, but when you get the present truth, you realise you're a member of His Body. He's no longer paving the way, but you are making the way whilst you are inside Him. Nothing shall stop or resist you! Go out and take over in each and every environment in the Name of Jesus!

**The entrance of thy words giveth light;  
it giveth understanding unto the simple.**

Some Christians sing "this little light of mine," as if the light of God in them is something the devil or circumstances can blow away. There is nothing little about the light of God in you. The Bible says the entrance of God's Word brings light. The Hebrew translation of 'light' there is 'photizo' or 'phos' in Greek, which means stadium lights or a great emission of light. With stadium lights, a sporting activity can be played in the middle of the night, and no one will complain about not seeing because it's so bright. It's a shimmering light that exposes even the tiniest thing.

As you read this prophetic message, light is entering your system. There's no room for the devil to get habitation in your life. You have everything it takes to be a mountain mover in this life. Let this Word grow in you and you shall surely prevail over circumstances. The light in you is not only for you but even those around you shall witness the same grace working for you all the days of your life.

Some Christians know Christ is a spiritual entity in the Godhead; some know him as a fatherly figure who is ready to receive your requests and plights, but brothers and sisters, Jesus is more than that. The Bible says in Jesus we live, move and have our being. There is a better revelation where you know Jesus as a location; we move inside His environment.

His environment is superior to all the challenges of this life. You shall bulldoze through anything because you embody the atmosphere of Jesus. Any-

thing that attempts to stop you is considered a declaration of war in the heavens. Nothing can stop you when living inside of Christ. You are invincible and untouchable in the Name of Jesus.

When the children of Israel left Egypt, the Lord was a pillar of fire at night and a cloud at noonday. The desert is very harsh; it's cold at night and extremely hot during the day. With such knowledge, God gave them a tailor-made climate and environment to protect them from the harsh conditions.

There is a dimension where you start giving testimonies that others cannot comprehend. It will be like fiction because God is giving you your own tailor-made environment. When others say things are going down, you shall be

saying there's a lifting up. Remember, you're an ambassador of Heaven; you are fed and supplied from above.

There's nothing to fear because we are in the world but not of this world. Our environment is from above. We live a life of milk and honey! You shall not lack any good thing in this life. You are provided for day in and day out till rapture. Amen.

There's unrest in the world as economies are crumbling, markets crashing, and economic depression seems imminent. Some Christians are wondering how they will get through this. The only strategy is to refuse to participate. Let those in darkness cry, but as for you, know that you are God's ambassador, and your supply is from on high.

The Bible says we are in this world but we are not of this world. Don't listen to the voice of the devil. We are not limited to this Earth where there is lack, depression and poverty. We are supplied by the economy of Zion. When the world says there is a going down, we shall say there is a lifting up.

As you read this prophetic message, you shall find answers from the strangest places. You are not a participant in chaos and disaster. Your milk and honey shall flow even in the desert. Your ground shall produce to its maximum capacity in the Name of Jesus.

If you have four broke friends, you will definitely be the fifth. I don't need to prophesy; I can tell where you are going just by seeing your company. The people you surround yourself with either add or take away value from your life. Your network is your net worth. The Bible says bad company or communications corrupt character. That means the people you relate with have the power to corrupt or build you.

Today, take time to reflect and do an introspection of your own radius. If there are people who are not adding value to you, there's no need to keep them. Keep only those who add value

to your life and help you be a better person. In this year of Milk and Honey, there's no room for those who are not adding anything to your life, physically or spiritually. Check your phone book; scroll through all the numbers. Look for those who are not adding value to your Christian walk, business or anything. It's high time to prune them and make better relationships that will benefit you and the Kingdom.

**And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us.**

Anything we call nature or natural is something that comes out naturally or is an inborn trait that we cannot erase. Today's scripture tells us love is our nature. Old Testament folks needed to be commanded to love, but not me and you. Our hearts are marinated in love! We are soaked into Jesus' love; hence, we don't need to be commanded to love - it just comes out as naturally as breathing, because the love of God is shed abroad in our hearts, we don't love by commandment but by nature.

Choose to be a minister of reconciliation to your family and friends. Jesus Christ is coming back and there's no room for adversity, grudges, or enmity. There's someone you might not be talking to because of a small mistake or misunderstanding, but today is a day to make everything right. There's a Heaven to gain or lose. Don't lose it because of hatred. Love by nature because your heart is marinated in love by our Lord Jesus Christ.

How much time do you spend in a mirror perfecting your physical look? Nowadays there are 3D mirrors and some that reflect a different image in order to please you. They can show a slim person whilst you know you are fat. However, there's a better mirror that reflects more than your physical outlook; it's called the Word of God. The more you look into it, the more you become like its Author.

The mirror, your Bible, says you're blessed with all spiritual blessings, and Christ

became poor so that you become rich. The more you read this, the more you become exactly what the Word says. Mediate upon the Word of God day and night and you shall have good success.

People perish not because of illiteracy but because they lack godly knowledge. Whenever Christians are ignorant, territories are lost. The biggest loophole for losses is ignorance. The enemy uses what you don't know to deceive and steal from you.

God Himself confirmed that His people perish not because of a curse spoken over them but because of a lack of information. Get into the Word of God and bring enlightenment to your spirit.

**Therefore, with joy shall ye draw water out of the wells of salvation.**

A balanced diet is a meal or feeding schedule comprising all the required nutrients for your body. When something lacks or is given in excess, symptoms appear in the form of stunted growth, diseases, etc. The same applies in the spiritual realm.

You need all the components or benefits of salvation to be active in your life. When you're enjoying one part and lacking in another, it distorts the glory of God. God wants to reveal His glory through you, which only happens if you have a spiritually balanced diet.

Prophet Isaiah reveals that inside salvation, there are many "wells:" wells of health, prosperity, education, and all. For example, when you see someone very rich but sick, it's because they drew water from the well of prosperity but missed the well of divine health.

Apportion the Word equally for each area of your life. Don't allow any area to lag behind. When you get light regarding a certain area, you gain access to that well. As you read this Word, I command every well to open up for you.

It's unscriptural for us to believe we're the cause of Jesus Christ's death. I understand it when the church tries to buy into that idea because that's a generic understanding of scripture. Do you know you never existed before, according to the scripture? You emerged as an end product of Jesus' death and resurrection.

The word 'new in today's scripture is the Greek 'kainos,' which means something that never existed. You are a product which never existed before. The one who caused Christ to die is not

you but the old you. Since, as new creatures, we never existed before, we have no connection with the old man who caused Christ to be crucified. Rise up today and enjoy all the benefits of your salvation in the Name of Jesus. Your past is totally over - nonexistent! Not only are you forgiven, but you don't have a sin committed. **Beat your plowshares into swords, and your pruning hooks into spears: let the weak say, I am strong.**

The devil is a spiritual being who's spiritually dead because of his disengagement with the Giver of Life. There are things he'll never know about you unless you update him on your own. From the days of Adam, his approach was to find out information from men and pervert it for his own advantage. He can only tell that you are really sick or struggling by what you do or say. He takes notes and plots a graph from the coordinates you give him through your words and actions.

When negativity is spoken or any form of discontent is expressed, he'll use

that as a gateway to attack. That's why your Bible says, "Let the weak say I'm strong," not because they are strong already. Whilst they're still weak, discouraged or broke, they should say I am rich and blessed.

He is more than able to turn your situation around. Our scripture for today says to make your request known, which means be specific about what you want from Him. Picture this. An expert archer stands tall and poised. His feet are shoulder-width apart; an arrow is carefully nocked on the bowstring, held in position with a firm yet relaxed grip. He skillfully draws back the string to his anchor point near his mouth. His focus narrows as he sights his target and takes a deep breath. Then, with the precision of years of practice, he releases. The Israelites ate the manna for forty years until they arrived at the land where they would settle down. They ate manna until they reached the border into Canaan.

Eating the same thing over and over can lead to what nutritionists call “sensory-specific satiety.” In simple terms, it means your mouth starts to get used to the taste. Consequently, your taste buds get tired of the same flavour. This can result in a diminished taste experience, as your taste buds become less responsive. This is what happened to the children of Israel. They grew tired of eating manna day in and day out and longed for “the good old days” of Egypt, even though it was a life of hardship.

When you’ve struggled for ten, twenty, forty years, your spirit becomes less responsive, and you get used to the “taste” of struggle. Life may seem routine and monotonous, and you may start to believe things will always be difficult. Let me remind you that this is a different year, and the year is not over! You’ve entered a higher dimension, and your diminished state of affairs ended. Routine, ordinary, “good old days” are over! You’ve crossed the border; your best days are here!

Your scripture for today: Ezekiel 25-27

**Ecclesiastes 3:1 (KJV)**

**To everything there is a season, and a time to every purpose under the heaven.**

Do you realize that Adam was not made a foetus or a new-born? He was brought into existence as a fully-grown man with years already in him. He did not need to go through periods of adolescence or puberty, waiting to become what God intended Him to be or to possess what God wanted him to have. Instead, God, in His sovereignty, condensed time so that Adam would not need to go through stages to get all that God had provided for him. The same is true for you.

This year of Milk and Honey is loaded with abundance that God has provided

for His people. Like Adam, God is ready for you to experience His provision now! So do not make the mistake of thinking that you have to wait for your prosperity. God can make you a millionaire tomorrow; He doesn't have to wait. At the start of this new month, tell yourself, "As a rich person, my time to collect is here!"

## PROPHETIC DECLARATION

**I am a creation of divine acceleration, formed in fullness and completeness. In this year of Milk and Honey, I recognize the abundance that God has already provided for me. I do not need to wait for prosperity; I declare that God's provision is ready for me, and my time to collect is now!**

**THE DOMINO EFFECT****2 Corinthians 9:11 (AMPC)**

**Thus you will be enriched in all things and in every way, so that you can be generous, and [your generosity as it is] administered by us will bring forth thanksgiving to God.**

Misery loves company! Complainers thrive on spreading negativity. Prosperous people, however, enjoy sharing their prosperity by giving towards the work of God. In so doing, they infect their surroundings with positivity, creating a domino effect of gratitude.

God intends for you to live a generous life so that others will be blessed. As you action the Word concerning this year, it is surely a year of Milk and Honey for you. Know this: as you experience un-

precedented financial prosperity, that money is not to "save for a rainy day" or to heap up possessions for yourself. Yours is money with a mission!

You are blessed to be a blessing and as you prosper, the impact of your giving creates a domino effect of thanksgiving to God. You'll be living as generous a life as God created you to live, then others will be blessed, and thanksgiving will pour out of many mouths because of you!

**PROPHETIC DECLARATION**

**I am a conduit of God's prosperity, and my life is a testament to generous living. My actions align with the Word, bringing me unprecedented financial prosperity. My money carries a mission to bless others, for I am blessed to be a blessing! Amen.**

**Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers.**

Honey is often praised for its potential benefits for the skin. Applying honey can help hydrate and moisturize your skin, making it more supple and radiant. Its anti-inflammatory properties can soothe irritated skin and reduce redness. It also has natural antibacterial properties, which support wound healing. Honey contains enzymes that can remove dead skin cells and promote a smoother complexion. The natural enzymes in honey may contribute to a brighter complexion by promoting skin renewal. As it is in the natural, so it is in the spiritual.

God created a year of the blessings of honey for you. As a prophet, I decree and declare there is no dryness in your life this year. Trouble has come to an end! The antibacterial shield of God's favour surrounds you. Just as honey's antibacterial properties heal, divine healing is yours right now! Anything dead in your life is removed right this minute, and just as honey transforms the appearance, everything in your life is being transformed. PROSPER in the mighty Name of Jesus!

**Psalm 50:10 (EASY)**

**All the wild animals of the forest belong to me! All the cows on a thousand hills belong to me!**

Different breeds of cows have been selectively bred for milk production. In the United States, the Holstein cow is widely recognized as the breed that produces the most milk. A Holstein can produce around 22,000 to 23,000 pounds of milk on average when it is actively producing. That's around 75 to 90 pounds (or 9 to 11 gallons) of milk daily during peak lactation.

Now, today's scripture tells us the cows (plural) on a thousand hills belong to God. Suppose there were only 1,000 hills and only one Holstein on each of them producing milk at their peak, that

would produce up to 11,000 gallons of milk in a day! For a rough estimate, let's assume an average price of \$3 per gallon. That's about \$33,000 in one day! Believe that's possible for you!

Brothers and sisters, there are more than 1,000 hills! I tell you, money is stampeding to your bank accounts in all different currencies! Cash cows on every continent are producing for you! Money has arrived!

## PROPHETIC DECLARATION

**The flow of prosperity in my life is unstoppable! Millions are stampeding into my bank accounts on a daily basis. I declare that cash cows are producing for me all over the world. **How sweet the taste of your promise is!  
It tastes sweeter than honey.**

In the realm of love, the power of sweet words cannot be understated; they are like a soft rain that nurtures the heart's garden. Consider the phrase, "You're as fundamental as an oasis!" Such words have the potential to stir the heart of anyone who knows they are cherished by the one uttering them.

Just as in a romantic relationship, God woos us with the sweetness of His Word. His promises and assurances of love found throughout the scriptures are meant to touch our souls, awaken our spirits, and draw us closer into an intimate relationship with Him. His words are more inviting and enduring than

any human declaration of love.

Challenge yourself to truly relish in the sweetness of God's Word from today onward. There is an unending depth to His wisdom and love, a richness that can only be experienced as you open your heart and savour His Word like a delectable feast. When life seems bitter, His Word is there to sweeten it; when you feel weak, it strengthens you. Taste and you'll see that His Word is indeed sweeter than honey!

**For God giveth to a man that is good in his sight wisdom, and knowledge, and joy: but to the sinner he giveth travail, to gather and to heap up, that he may give to him that is good before God. This also is vanity and vexation of spirit.**

Worker bees toil tirelessly to produce the most delicious honey. Not only do they collect nectar and transform it into honey, but they also are responsible for packaging and protecting the precious resource. Despite their immense effort in honey production, they're only allowed to consume enough to continue their laborious work. This is the story of sinners who strive to accumulate wealth. Little do they realize their efforts are meant to bless YOU.

According to the Bible, every sinner is unknowingly working for the benefit of God's righteous heirs. God allows sinners to gather and amass riches, assigning them a life of hard labour, just so they end up turning their wages over to God's favourites. The riches they worked for are meant for the righteous - the Christians. God was carefully orchestrating these "worker bees" to store up wealth specifically for you. This is the year you've been waiting for! Use every opportunity to harvest every "honeycomb" that has been safeguarded for this very moment, and take over all that has been stored up for you!

So it happened that the men Moses sent to scout out the land returned to circulate false rumours about the land causing the entire community to grumble against Moses—all these men died. Having spread false rumours of the land, they died in a plague, confronted by God.

One of the most tragic accounts in history occurred when the children of Israel arrived at the promised land. After wandering in barren desert places for so long, they became accustomed to noticing only lack. When some were sent to investigate the new territory and report back, all but two returned with what God calls "an evil report" – false rumours about perceived, fear-based danger. As a result of their complaints, they and all who joined them in complaining died without possessing the promised land.

complaining died without possessing the promised land.

God takes complaining personally. Why? Because every complaint affronts His goodness, faithfulness, and provision. He brought you into the promised land with all its benefits and blessings. So, if your body shows you symptoms that don't look like a promise, cast them out! If your bank balance tries to convince you that you're broke, never believe it! These are false rumours! Refuse to focus on any perceived problem. Focus instead on the plenty God has provided. Look for your abundance and possess it no matter what!

**Proverbs 23:4 (KJV)****Labour not to be rich: cease from thine own wisdom.**

We live in a hustle-and-get-rich-quick culture, leading some to labour endlessly to pursue riches. However, Proverbs 23:4 offers a different perspective that dissuades us from such tireless pursuit. It tells us we should not wear ourselves out trying to get rich. In other words, it should not be a struggle. Instead, it urges us to cease from our own wisdom and lean not on our understanding when it comes to getting rich. It is a powerful reminder that it is not through ceaseless toil and self-reliance that we find prosperity but through the wisdom that God freely offers. This wisdom surpasses all earthly understanding and promises not just wealth but

wealth that comes without toil or strife.

This truth is echoed beautifully in Ecclesiastes 10:10, which reminds us that wisdom sharpens the axe, giving us the advantage, we need to conquer. Without this wisdom, we merely swing a dull axe, exhausting ourselves needlessly. But with God's wisdom, any challenge life throws our way is felled effortlessly. This is the advantage and success that wisdom brings. Explore the wealth of business wisdom in the Bible. Sharpen your skills with wisdom and enjoy sweatless victories!

He is our Nourisher and Sustainer, the perfect provider of all that is essential, from the spiritual to the physical. Just as milk is a trusted source of calcium, vitamin D, and proteins that fortify our bones and muscles, so is God's Word, nourishing us with spiritual nutrients for our spirits, souls, and bodies.

**Luke 21:8 (VOICE)**

**Be careful. It's easy to be deceived. Many people will come claiming to have My authority. They'll shout, "I'm the One!" or "The time is now!" Don't take a step in their direction.**

In the fear-charged atmosphere of our present world, people cannot help but feel the disquieting hum of uncertainty. 'Doomsday prepping' is trending, with wealthy billionaires investing their fortunes in underground compounds and 'survival condos' to hedge against unforeseeable turmoil. This reflects the accuracy of the Word of God: men's hearts will fail because of fear (Luke 21:26).

Yet God always provides a place of safety for those who are His. The children of Israel dwelt safely in Goshen, immune to the plagues of Egypt. Noah found grace in the eyes of the Lord and escaped the destruction of the flood in the ark God instructed him to build. Ultimately, God's people will be caught away, safe from the enemy's wicked onslaught that will besiege the Earth.

Despite the palpable fear that surrounds us, we are reminded of the promised land – a place of refuge – where God's people can dwell securely without fear of oppression or enemies. It reminds us that we are heavily protected, heavily guarded, and heavily defended – GOD PROTECTED! His protection transcends any physical stronghold billionaires may construct.

Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

**JESUS IS COMING!** This glorious reality ignites within us a flame of jubilation that outshines the brightest star! How thrilling it is to realize that in a moment, we will be raptured – caught up – to be with the Lord forever! Every sunrise is a reminder that Jesus' return is drawing near, and every sunset is a testament to His unfaltering promise that will soon

be fulfilled. Our hearts cry out in exultation: Hallelujah! **JESUS IS COMING!**

While we revel in this glorious anticipation, that does not mean we should merely sit waiting by the door with our bags packed. Instead, let us remember the Lord's command to occupy until He comes. This means being diligent in business, trading and exchanging goods and services for legitimate gain – not idly waiting, but actively engaging in business affairs at full throttle! Strategy is the backbone of success. In every facet of life, strategy serves as the cornerstone for decision-making, goal setting, and effective management of resources. A strategy for maintaining good health and longevity is wise, for example, eating organic food or growing our own. I often say when you marry, marry for ministry - this too is a strategy. The business realm is no different, where strategy is useful and pivotal, ensuring we stay on course towards long-term goals amidst competitive environments.

Yet, in the relentless pursuit of strategic mastery, Christians often overlook the most potent resource at our disposal - the Holy Spirit. He is the Extraordinary Strategist, ever present to guide and advise us as we traverse the intricacies of life.

Seek His counsel and receive His extraordinary wisdom. Consult with Him for your next course of action. He will show you how to navigate the complexities of life in every area that concerns you. Poverty and lack are proof that someone somewhere quenched the Spirit. The Bible tells us that time and chance happen to us all (Ecclesiastes 9:11), meaning rich and poor alike are given opportunities to prosper. The reality is some are comfortable living with the demon of poverty and laying personal claim to their sickness. They refuse to accept the possibility and reality of God's desire to prosper them by ignoring the thoughts and ideas the Holy Spirit provides through the Word of God to change their situation.

You see, it's impossible to imagine something that's impossible for you to have. Your desires to have multi-million

or billion-dollar businesses, properties all over the world, a garage of luxury cars, perfect health and a happy home are possible.

When those thoughts come to you, do not rebuke them. Instead, understand that the Holy Spirit creates in you the desire for things that are rightfully yours. Anything that falls within the scope of what the Word of God says you can have, you can have! Believe it, and don't be ashamed or afraid to go after it!

**And now, compelled by the Spirit, I am on my way to Jerusalem, not knowing what will happen to me there.**

Some things we're requested to do by God are burdens of the Spirit where He gives us the opportunity to respond. Then there are things we are summoned to do. A summons requires an altogether different response. It does not come with options and cannot be silenced; it demands 100% compliance. The problem is that one can be summoned and not know it.

A widow was summoned to feed Prophet Elijah. She was commanded to sustain him (1 Kings 17:9) but had no idea she'd been summoned. She just found herself in the place where summons and opportunity could meet. That's what is happening for you this year!

God released a compelling ability to make you prosper like never before. He has summoned money to come to you. **My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.**

One of the saddest laments in the Bible was uttered by God Himself when He said, "My people are destroyed for lack of knowledge." Notice, it does not say people in general, but My people, specifically. He's talking about His own Blood-bought, Spirit-filled Christians – heirs of all He has and joint-heirs with Christ - perishing because of what they don't know. The worst part, however, is the reason given: because they reject knowledge.

The Bible contains the Word of God, thereby making it the most knowledgeable book available on Earth. It contains the Wisdom of God that, when applied, saves you from destruction.

You can't afford not to be in the Word. The Word ought to be studied; it ought to be read in your home. Read it to your little ones, and encourage those who are mature enough to read it for themselves. God wants you to collect riches like dust, but that can't happen as long as your Bible collects dust. The Word is your surety. Read it, live long, and prosper!

Setting and going after your goals is a powerful way of exercising your faith. Goals are not merely hopes or dreams but concrete, achievable outcomes. Setting clear goals helps us stay focused and directs our faith towards a specific result.

The Bible says, "Faith comes by hearing, and hearing by the Word of God." (Romans 10:17). That means the Word has the power to give you hearing ability. It is through that hearing ability that faith comes. However, faith is like a muscle: it must be exercised. Practice it. Use your

faith on little things to start – things that will not make much difference if they do not come to pass – until you get results consistently. Then, as your faith gets stronger, set bigger goals.

In this year of Milk and Honey, be intentional about setting goals and exercising your faith to reach them. The formula is simple: increase your faculty of hearing through the Word, then as faith comes, set your goal and go for it!

Some believe it is godly to be poor. What nonsense! Throughout scripture, God befriends rich people. In fact, the Bible says that though the Lord was rich, He became poor (by Heaven's standards) so that we might be rich.

Another false belief is that you must apologize for being wealthy or desiring abundance. You don't have to apologize for your desire for abundance any more than you need to apologize for wanting an abundance of health, wisdom, or air to breathe!

Our God is wealthy and desires the same for His children. So, dismiss these

misconceptions about the supposed godliness of poverty. They are mere distractions from the truth of His Word.

As you continue to prosper this year, be unapologetic! Testify of His goodness, and make your achievements known, demonstrating unashamedly the richness of God's grace and abundant blessings in your life. You owe no apologies for making the Word work. Go ahead and show off what the Lord has done for you *unapologetically!*

**Hebrews 9:14 (NOG)**

The blood of Christ, who had no defect, does even more. Through the eternal Spirit he offered himself to God and cleansed our consciences from the useless things we had done. Now we can serve the living God.

Many Christians are unforgiving of the failures of others. This uncharitable approach stems from a misunderstanding of the Gospel's core message: Grace. It's nearly too good to be true that Christ paid the penalty for all our sins – past, present, and future. This is the grace of God. This does not give us license to sin, not at all! Grace is an empowerment not to sin!

Hebrews 9:14-15 underscores the priceless gift of Christ's blood shed for all, no matter the depth of our transgressions. Yet many Christians struggle with releasing the gavel of judgment, particularly against fellow Christians, scrutinizing their (real or perceived) failures under a microscope.

The challenge is simple: forgive. There's nothing more burdensome than a guilty conscience and the barrier it creates between us and the guilt-free life that Christ paid the ultimate price to bestow upon us. Forgiving others, and even ourselves, is a testament to Christ's sacrifice. Receive the gift that Christ suffered and died to give you: a cleansed conscience and a guilt-free life!

His Word is filled with promises of healing and restoration for whatever ails us. When sickness dares to invade your body, believe His Word and exercise faith in His healing promises.

Faith requires action. Just as medicine needs to be taken daily for full effectiveness, so should God's Word be taken daily. Meditate on the Word, particularly scriptures that relate directly to the condition you're dealing with. Con-

fess those scriptures over your body, and act on your belief by doing what you couldn't do before.

Jesus' life was marked by a profound emphasis on prayer. His demonstration of wisdom, boldness, and supernatural signs and wonders were prefaced by communication with the Father. He often withdrew to solitary places to immerse Himself in prayer, sometimes throughout the night. Even in the critical hours before His crucifixion, Jesus sought solace, direction and strength, pouring out in intense, soul-stirring prayer. It is clear that His disciples recognized the power and impact of Jesus' prayers when they implored the Master, "Teach us to pray!"

Therein lies a lesson for you, too! To truly experience the depth of power and supernatural authority that Jesus wielded, you must first emulate His commitment to prayer. Many pursue miracles, signs, and wonders, eager to demonstrate the supernatural, yet neglect the key that unlocks it all - prayer. As Jesus demonstrated, prayer isn't just about receiving information or asking for things; it's about transformation. Prayer is not for information. It is for your formation. Quality is copied. Dare to replicate the quality of Jesus' prayer life. Make prayer a priority, not an option. Start today. Pray!

**Happy is the man that findeth wisdom, and the man that getteth understanding.**

Money doesn't change one's character; it simply amplifies the character that is already there. That's why someone can get a million dollars today, and by next week, they will be in the same state they were in before they became a millionaire – or worse! Some people find themselves skyrocketing to the upper echelon of financial wealth only to come crashing down because they mismanaged their finances. Their riches are here today and gone tomorrow. No wonder the Bible says that riches can disappear in the blink of an eye, and wealth can sprout wings and fly off into the wild blue yonder (Proverbs 23:5).

It's not easy to be rich. There's a certain mindset that rich people possess that keeps them rich, and the lack of it keeps poor people broke. Being rich requires focus, tenacity and the development of your character so that you master money instead of money mastering you. Riches are a side effect of wisdom. Therefore, be wise. Don't focus only on increasing your money; increase your wisdom also so that as money comes, money stays.

We serve a God who understands what it's like to be forgotten. He said, "My people have forgotten Me" (Jeremiah 18:15). He wants us to know that He will never forget us, to the extent that He has tattooed our names on His hands. Whenever He opens His hand of favour

and blessing, your name is there. When He opens His hand to guide, comfort, and protect, your name is there.

Be comforted by this truth – you're forever remembered by the One who matters most, and the year is not over. It's still your year of Milk and Honey, and God's promises remain steadfast, unchanging, and sure. His plan is still at work in your life. You are not forgotten; you are engraved on the palms of His hands!

## PROPHETIC DECLARATION

**God knows my name, and His promises to me remain steadfast and unchanging. By faith I declare that I will rejoice. It is my year of Milk and Honey, and my time to celebrate has come! Amen.**

Your scripture for today: Nehemiah 1-5

**Exodus 3:8 (KJV)**

And I am come down to deliver them out of the hand of the Egyptians, and to bring them up out of that land unto a good land and a large, unto a land flowing with milk and honey; unto the place of the Canaanites, and the Hittites, and the Amorites, and the Perizzites, and the Hivites, and the Jebusites.

Viscosity is a fascinating characteristic! It measures how easily a substance can move. Honey is a perfect example of viscosity in action. Honey's high viscosity means it doesn't flow as easily as other liquids. But here's the secret: its flow can be influenced by factors such as temperature. When honey is warm, it flows more easily. Another factor that affects honey's flow is its moisture content. Less moisture leads to thicker honey, which flows more slowly. On the

other hand, higher moisture levels can make honey flow more easily.

Honey is more than just a sweet treat – it symbolises abundance. For the remainder of this year, focus on increasing the flow of God's abundance in your life. Warm your honey with praise and thanksgiving to God. Warm honey encourages the absorption of moisture, and that moisture comes from the water of the Word! Get more of the Word into your spirit and in your mouth. As you do these things, abundance, prosperity, and blessings will flow into your life with ease!

**PROPHETIC DECLARATION**

**As I immerse myself in the Word, filling my spirit and mouth with prosperous affirmations, I decree that 2024 is my most abundant year yet! Like honey warmed with praise, I attract the flow of God's blessings, prosperity, and abundance effortlessly! Thank You, Lord Jesus!**

Your scripture for today: Nehemiah 6-7

**Isaiah 49:17 (MSG)**

**Your builders are faster than your wreckers. The demolition crews are gone for good..**

Some years ago, a Chinese construction company constructed a 57-story skyscraper in just 19 days! Building a skyscraper is a monumental task, requiring years of intricate planning, precise engineering, and countless hours of labor. However, despite these colossal efforts and time taken to raise a skyscraper, it can be demolished in a matter of seconds!

Imagine how long it took to build your ministry, business, good health, marriage, you! How devastating it would be if all that was built for your benefit came tumbling down, wrecked by demonic demolition crews! When you consider the investment of time and resources that went into making you all that you are, you'll gain a different level of appreciation for today's scripture.

This year, God assures you that nothing the enemy tries to destroy your progress will work. You will rise like never before, like a well-constructed edifice going higher and higher! Your success is happening so fast that by the time the enemy notices, it'll be too late! You're a victor, built for success, and the hand of God is at work in your life. The demolition crews are gone for good!

## PROPHETIC DECLARATION

**Any attempt to tear down what God is building through and in me will fail miserably! The demolition crews of adversity are permanently banished from my life. I'm built for success! Amen.**

Your scripture for today: Nehemiah 8-10

**Psalm 35:27 (KJV)**

**Let them shout for joy, and be glad, that favour my righteous cause: yea, let them say continually, Let the Lord be magnified, which hath pleasure in the prosperity of his servant.**

I'm the proud father of four sons and countless spiritual sons and daughters. Like any father, I eagerly watch as they grow and mature, anticipating the day they surpass my own achievements. I don't want them to be as good as me; I want them to be better! Just as a father's heart swells with pride watching his sons and daughters surpass his own accomplishments, so too does our heavenly Father delight in our growth, our ability to do more and better, and to have more than we ever imagined. God takes no pleasure in seeing His sons and daughters suffering. He

doesn't smile when they are sick, and neither is He happy when His chosen ones are broke, busted, and disgusted. What gives Him pleasure is your prosperity.

Prosperity isn't just monetary – it's so much more. It encompasses your overall welfare – good health, loving relationships, peace and contentment, and receiving favour. It's all inclusive! Your prosperity pleases God greatly! Decide today to prosper in every way possible. Let the Lord be magnified, proud, honoured, and greatly pleased because of your prosperity!

**PROPHETIC DECLARATION**

**God rejoices in my prosperity and desires abundance in every area of my life. My success brings Him immense pleasure. Today, I embrace prosperity in its entirety, and I choose to thrive in every way, bringing glory to God through my prosperity! Amen.**

Your scripture for today: John 14:12

**Philippians 4:6 (KJV)**

**Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God.**

Many countries have agencies tasked with protecting important figures. Before an important person can enter a room, they search for potential threats. After their inspection, only authorized personnel are allowed entry. The room is arranged according to the specific needs of the dignitary to allow for ease of movement and clear lines of sight. Everything is prepared to create a secure and conducive environment for the successful execution of what is planned. Prayer operates in a similar function.

Prayer is a messenger – a protocol, a steward, an usher in the spirit that goes ahead of you. Before entering your new month, prayer has already surveyed the terrain and neutralized potential threats. Prayer ensures only what you authorize can enter your new month, shaping and tailoring the environment for your specific needs and setting the stage for the successful execution of God's plan for you.

As we approach the dawn of a new month, set the stage for a month flowing with milk and honey for you. As God's VIP, embrace the opportunity to step into a new month that has been thoroughly prepared by prayer.

## PROPHETIC DECLARATION

**As I step into this new month, I approach every situation with confidence, knowing that prayer has already set the stage. It's all milk and honey for me! Amen.**

## ISAIAH 54:

**14** I AM BUILD SOLID, GROUNDED IN RIGHTEOUSNESS, FAR FROM ANY TROUBLE—NOTHING TO FEAR! FAR FROM TERROR—IT WON'T EVEN COME CLOSE!

**15** IF ANYONE ATTACKS ME, I WILL NOT THINK FOR A MOMENT THAT GOD SENT THEM, AND IF ANY SHOULD ATTACK ME, NOTHING WILL COME OF IT.

**16** GOD CREATED THE BLACKSMITH WHO FIRES UP HIS FORGE AND MAKES A WEAPON DESIGNED TO KILL. HE ALSO CREATED THE DESTROYER

**17** BUT NO WEAPON THAT CAN HURT ME HAS EVER BEEN FORGED. ANYONE WHO ACCUSES ME WILL BE DISMISSED AS A LIAR. I AM GOD'S SERVANT SO THIS IS WHAT I CAN EXPECT GOD WILL SEE TO IT THAT EVERYTHING WORKS OUT FOR THE BEST FOR ME.
