GOODNEWS TESTIMONIES

Semi Wara

24 years ago Semi Wara joined the British Army and served as a soldier. He did tours to Cyprus, Iraq, Afghanistan and also served in Somalia for the British Embassy. Whilst serving on a tour in Afghanistan in 2006, he experienced first-hand, what it was like to fight the Taliban and lost many close friends in this war. He was looking to fill this empty void in him but God always had a plan, and a purpose in his life and that was made possible when he joined Spirit Embassy The GoodNews Church. He has served his country as a soldier for many years but the biggest reward is serving Jesus Christ, and being a soldier in God's army.

Michelle Mason

11 years ago Michelle Mason was living a life of sin working as a lap dancer. She used to coordinate private parties at a gentleman's nightclub. She was indulging in a life of alcohol and drugs and her life spiralled drastically out of control. She was lost and broken and had no ability to live a sober life. Years later she became a Christian and left that lifestyle and separated herself from the things of this world. She had a personal encounter with Jesus Christ that made her realise that you are never too far gone, God will call you, appoint you, and work through you to bring Him glory. Through joining Spirit Embassy, God's Word had completely transformed her life.

Trance Hove

At the age of seven Trance Hove was introduced to Hip-Hop music. During his teen years the music he listened to as a child had shaped him as a young adult. He then started to hang out with drug dealers, career criminals and violent gangsters in the area he grew up in. He was attracted to the money they were making. Although he was making a lot of money by selling drugs, he had to constantly look over his shoulder. He had to leave this lifestyle and he wanted to use his passion for music to influence and inspire the youth to get involved in what God is doing in this generation. He went from making music that glorified the works of the devil to making music to glorify The Lord Jesus Christ.

He now uses his platform to reach millions to point people to Christ and bring glory to God, through the teachings of Prophet Uebert Angel.

Elizabeth Grace

Elizabeth Grace went through a very difficult time in her life when her marriage fell apart. She had to work a full-time job on her own whilst raising a family of five children. As things progressed, it became really challenging for her that she even contemplated ending her life. Whilst going through this ordeal she reached out to some friends who had joined Spirit Embassy The GoodNews Church. After some time she started her own business in healthcare and her business began to grow at an astronomical rate. She became debt-free, and moved into her own home. From living in a council house, eating from a food bank, being unemployed to now owning a successful business and being the employer. She now employs over 70 staff members!

Richard Edomwonyi

In March 2022 Richard Edomwonyi was involved in a severe car accident which resulted in him having a serious neck and back injury. He was unable to move his neck and had to stay in hospital for some time. A month later he attended the Healing Institute which is the healing ministry and a vehicle that God is using to touch lives in nations, through Prophet Uebert Angel. He was prayed for and immediately in that moment he was completely healed and this was the first time he experienced divine healing in his life.

Rurimi rwune simba pamusoro porufu noupenyu, vanoruda vachadya zvi-berekoo zvarwo.

Pese paunotaura, ziva kuti hausikungotaura mashoko zvopera zvakadaror those are not just mere words coming out of your mouth and dissipating into thin air. The words you utter have power to shape your life for the best or worst. That's why you need to put a premium on the words you speak. Put a standard on the words that proceed out of your mouth. This has nothing to do with your emotional position. It's all about charting the course of your life with your words. All the milk and honey you want lies in the power of your tongue.

Today, chose to speak life, peace, and prosperity. Don't allow your emotions or current status to shift your language. When things are good or not so good, speak positivity no matter what. Your destiny is waiting for you to speak that which is productive. Your tongue is a weapon to chart the course of your future. Decree and declare milk and honey in your day, and you shall surely see the manifestation of that word.

CHIPOROFITA CHEKUTAURA

I decree and declare prosperity in every area of my life. I shall live a life of milk and honey in the Name of Jesus. Amen.
