## UEBERT & BEBE ANGEL

The founders of Spirit Embassy (The GoodNews Church) Worldwide, Prophets' Uebert and BeBe Angel are excited to bring you The GoodNews Daily Kids Devotional.

Each day makes the word of God so much fun! We've made sure every lesson is easy to read and understand. Children will be encouraged as they read and speak prophetic declarations into their lives every day. The devotional also inspires little ones to have their own quiet times through further studies and notes sections where their thoughts can be journaled. The roots of the Christian faith will be driven deeper in their tender hearts as they grow spiritually and understand the Good News of God's grace in their early years.

Hebrews 12:2 (ICB)

Let us look only to Jesus. He is the One who began our faith, and He makes our faith perfect...

WELCOME TO THE YEAR OF MILK AND HONEY! Just a few hours ago, our Man of God Prophet Uebert Angel declared the name of this year, 2024. Remember that the year does not know that it is a year. It will answer to what it is called!

In Spirit Embassy and The Good-News World, we do not make resolutions, as is so common in the world that we live in. "I will lose weight this year, I will go to the gym more, I will read more" are all common promises that you have heard before. Yet, in a matter of days, such promises are often broken.

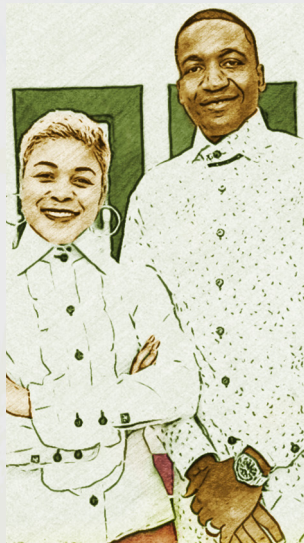

In this year of milk and honey it is very simple and yet not so easy to lay hold of what the LORD has said. "Agree with God." We will be delving into what this means and how to apply it in your life for maximum impact this year! Are you ready for this God adventure kids?

## PROPHETIC DECLARATION

God began my faith, and He is the One who will make it perfect. In this year of milk and honey, I am on another level!

### James 1:22 (ICB)

Do what God's teaching says, do not just listen and do nothing. When you only sit and listen, you are fooling yourselves.

Jacob finished speaking to Carly and asked her, "Carly, do you agree?" "Yes, of course Jacob! You know you and I agree about most things!" Later that afternoon after class, Jacob looked disappointingly at Carly and said, "I thought you said you agree?" "Agree? About what?", Carly responded with a puzzled look on her face.

Kids, do you agree with what God's teaching says about you? You may be quick to say yes but as we continue this week, you may realize that you do not! Carly said that she agreed with Jacob, but it turned out she did not, she listened, but her actions did not match.

Today, take a moment to reflect and say to yourself, "I do what God's teaching says. I am an action taker in Jesus Name."

## PROPHETIC DECLARATION

I am a doer of the Word and not a hearer only. I do what God's teaching says, I do not just listen. Amen!

Do what God's teaching says; do not just listen and do nothing. When you only sit and listen, you are fooling yourselves.

Have you ever been to church and taken lots of notes in your Sunday School class? You feel so excited and energized as your Sunday School Teacher talks through the lesson and you really get it, you totally agree! This is your time, change is here.

You say to yourself, "I need to go over these notes and follow up with what I need to put this

to action. I will do it tomorrow." Tomorrow comes and goes so you say you will do it tomorrow, and of course, tomorrow never comes! What you are doing is fooling yourself because you have only sat and listened to God's teaching without doing anything about what you have heard.

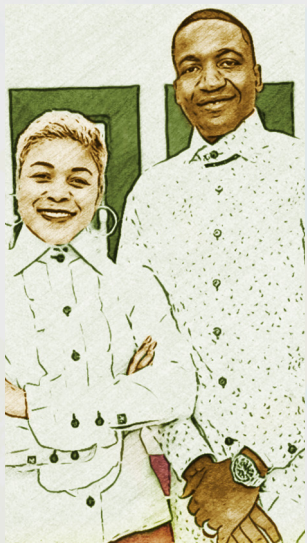

Do not be hard on yourself kids. You have the grace to be a doer of the Word of God, so start today!

**PROPHETIC DECLARATION**

I refuse to fool myself anymore. My days of just listening and doing nothing are over! I decree and declare it in Jesus Name.

A person who hears God's teaching and does nothing is like a man looking in a mirror. He sees his face, then goes away and quickly forgets what he looked like.

This morning I looked into the mirror whilst I was preparing for my day. Have you ever looked in the mirror and then forgotten what you looked like? In the scripture we are sharing today, there is something I really want you to catch.

Kids, if you are a hearer of the Word only, without doing anything about it then you are like a man who looks in the mirror but forgets

immediately as he moves away from it, what he looked like. In other words, if you just listen without applying the word, you immediately forget who you WERE as a child of God when you received Christ. Everything you needed for life and godly living was imparted to you by your new spirit. When you simply listen to God's teachings, you forget who you were in Christ.

Have you forgotten who you were when you received the life of Christ? You can remember today by doing what God's teaching says.

**PROPHETIC DECLARATION**

As I look into the mirror of the Word, I apply it in my education, my family, and every area of my life in the Name of Jesus. Amen.

**Romans 10:9 (ICB)**

If you declare with your mouth, "Jesus is Lord", and if you believe in your heart that God raised Jesus from death, then you will be saved.

Max and Oscar were preparing for the sack race for Sports Day, and they were discussing their strategy so that they would win the prize. "Little jumps all the way", Sam was convinced this was the way to win. "No, big jumps will get us to the finish line first", exclaimed Oscar. After 5 minutes of going back and forth, the two were just not agreeing.

Do you agree with God? Do you agree with what He has said about you?

"You are a city that is set upon a hill my child." "You are prospering in everything that you do." "You are the Joseph of your family." Do you agree? Do you believe, do you confess what He has said about you?

Kids, the entire plan of salvation is based on agreeing with God. You confess with your mouth (agree and confess) and believe in your heart (believe), then you will be saved! Agree, believe, and confess that you are walking in divine health, no sickness can come near you in the Mighty Name of Jesus, hallelujah!

**PROPHETIC DECLARATION**

I agree, believe, and confess that I am bold as a lion. I am the light of the World and the salt of the Earth. My impact for Christ is undeniable in this generation! Glory.

But he who looks into the perfect law of liberty and continues in it and is not a forgetful hearer but a doer of the work, this one will be blessed in what he does.

There was a famous fairy tale where the mirror talked back to the person looking into it. However, it would not tell the truth, only lies! In today's scripture, we are told that if you look into the perfect law of liberty, which is the Word of God and continue in it, do not forget what it says, but you do the Word of God, that you will be blessed in what you do.

In other words, when you look into the mirror of God's Word and you read, "I can do all things through Christ who strengthens me" (Philippians 4:13) and you continue to believe and confess this word even when you come across an activity at school that you would usually find tricky. If you agree with God and apply this word to that situation, guess what? You will be blessed in what you do. You will always come out on top.

Today, continue in the Word that God has spoken about you and do not let it go!

## PROPHETIC DECLARATION

I am consistent, persistent, and unchanging in my pursuit to work the Word of God. I receive grace to continue in it and be blessed in everything that I do.

At first it would be. After four or five times of him just telling you, his boasts would not be so thrilling because there would be no evidence backing up his claims.

Kids, it is the Christian who continues in the Word, does not forget what it says and does the work who produces results! In Spirit Embassy The GoodNews Church, we are Proof-producing Christians, that is who we are!

Follow the formula, agree with God, believe what He has said about you, confess it, remember, and continue in it, and be a doer of the Word! Welcome to the Year of Milk and Honey!

God is honoured for what He keeps secret. Kings are honoured for what they can discover.

Kids, have you ever played hide and seek, and your younger brother or sister hid in a place which they think is a great hiding place? They do not realise that even though they cannot see you, you can see them because either their hand or foot is sticking out.

The Secret Place is a little bit like that! It has been hidden in plain sight and it is God's delight for

us as kings to search out what He has said about it. Is the Secret Place only for some Christians? What do you need to do to get into the Secret place? This week we are going to delve into what the Secret Place is and how we dwell there. We will also answer questions about how we can access it as sons of God.

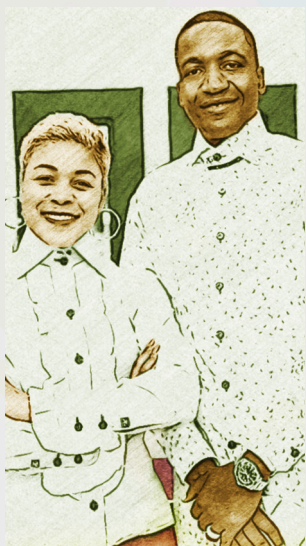

Get ready to unlearn so that you can learn because it is not what you think!

## PROPHETIC DECLARATION

Those who go to God Most High for safety will be protected by God All-Powerful.

For more than two decades, I have had the privilege of travelling to the most beautiful places on the Earth. Exotic wildlife with animals of all kinds have surprised me and made me think what a Mighty God we serve. It has been and remains an honour to serve the LORD and minister to His people all around the world.

When we talk about the Secret Place, however kids, it is not a physical place! It is not a geographical

location. You cannot go from here to there to seek God and escape the realities of this life. It is a place, where you understand that God and man become one, as co-heirs of the purposes of God.

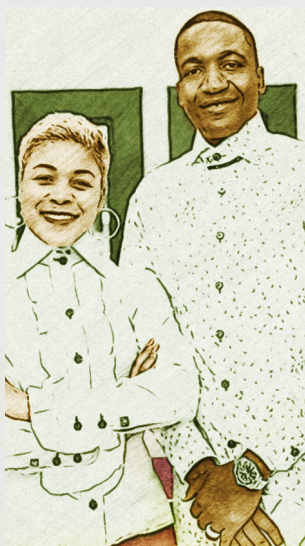

In Hebrew, the Secret Place partly represents the heart of God and those who dwell there are those who have found shelter in the very heart of God. They are surrounded and supported by Him. Stick with me as we uncover what the Secret Place is tomorrow!

## PROPHETIC DECLARATION

I have found shelter in the heart of God. I am surrounded and supported by Him, hallelujah! Amen.

When you are baking a cake, there are a variety of ingredients required to successfully achieve the desired outcome. Each ingredient is needed for the finished product and without any of those ingredients mixed in, the cake just would not be complete.

The Secret place is like that. Let us return to what we were talking about yesterday: Satar in Hebrew talks about the very heart of God and those who dwell there

are surrounded and supported by Him. Tav represents the truth or knowledge of God. It speaks of the Word of God that is revealed. Resh talks about someone who is bent over in service (The Holy Spirit who serves / ministers).

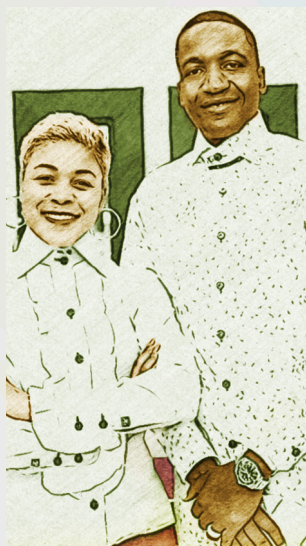

Kids, the Secret Place is not a 'what' but a 'who?' The Secret Place is the LORD JESUS CHRIST Himself! That is a great place to shout 'hallelujah'.

## PROPHETIC DECLARATION

The heart of God where I am surrounded and supported, the revealed truth and knowledge of God and the One who bent over in service is perfectly represented in the Person of our LORD JESUS CHRIST! Glory!

When I was in school, I found Science fascinating. Experiments were always interesting and sometimes thought-provoking too. One fact I like to think about is how Ice, Water and Steam are all made from the same component, H<sub>2</sub>O, yet exist in different forms. Ice is water, water (as a liquid) is water, and steam is water. They exist in different forms, but their core matter is the same.

The importance of the Secret Place is to understand the mystery of oneness between us and the Godhead (how the three can be one). Jesus is the One who embraces us and brings us into the heart of God (The Father). The Holy Spirit is the One who gives us the revelation of who Jesus is. Jesus is the Secret Place.

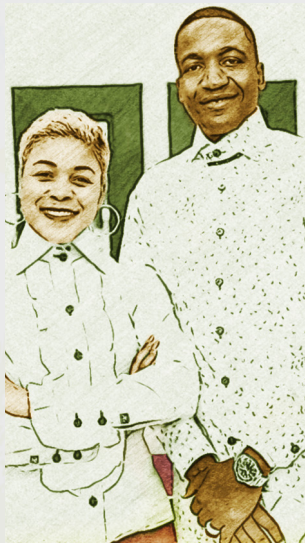

Take a moment today to let this truth sink in and thank God for giving us access to be one with Him in Christ.

## PROPHETIC DECLARATION

Glory be to God that the Secret Place is a Person. I am one with Him, embraced and safe in the heart of God. Hallelujah. Amen.

But the one who joins himself with the Lord is one with the Lord in spirit.

The human body is fascinating. Have you ever looked at your hands? Your feet and how wonderfully the LORD has created them? Your fingers and thumb are joined to the palm of your hand. This creates the hand as we call it. The fingers do not have to search for the palm, the thumb does not have to search for the palm because they are joined together, they are the hand.

Kids, in the same way you are joined or united with the LORD and you are one with Him in spirit. The Secret Place is not something you have to search for. If you are in Christ, you are already in it. You are One with Him, hidden in the Secret Place, hallelujah!

Begin to walk tall, with your head up high because you are one with Christ!

## PROPHETIC DECLARATION

I am one with Christ. I am joined to Him, and I am one spirit with Him. Christ in me, the hope of glory! Amen.

He that dwells in the Secret Place of the Most High shall abide under the shadow of the Almighty.

Where do you live? My permanent address is in the UK. I have visited many countries around the world, I even have houses in other countries, but I live in the UK. It is not everyone who dwells (sits down in the Hebrew) in the Secret Place. Only those who dwell in the Secret Place have the right to abide (live) under the shadow of the Almighty.

Remember what we have been learning kids. The Secret Place is the LORD Jesus Christ. If you are a Christian, you were born there!

Wow! In other words, dwelling or living in the Secret Place is a spiritual position. You do not have to get there. As a new creature in Christ, the Secret Place is your permanent address, and your permanent address is the LORD Jesus Christ.

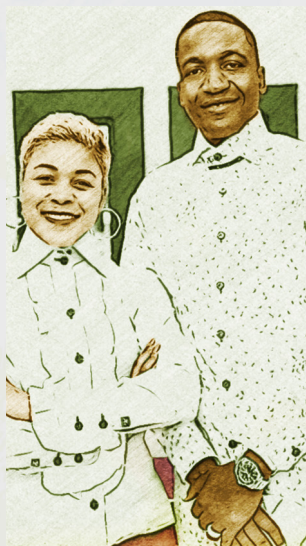

In conclusion, you are born of the Spirit. You are a spiritual being, with your body as its house. You dwell in a spiritual location called Christ.

## PROPHETIC DECLARATION

My permanent address is the LORD Jesus Christ. I am spiritual being and I "sit down" in a location called Christ.

And He raised us up with Christ and gave us a seat with Him in the heavens. He did this for those of us who are in Christ Jesus.

It has already happened; it has already taken place. As a Christian, you have been raised up with Christ and given a seat with Him in the heavens, it is already done!

Christ is your permanent location. You could say Psalm 91:1 this way: He that sat down in Christ shall stay permanently under the shadow of the Almighty, glory! Do you see now that dwelling in the Secret Place is understanding that you are in Him as your permanent address. You now live every day with this knowledge, and it influences your actions.

Christ is your Secret Place, permanently and eternally. Sickness cannot stay, depression cannot stay! Shout hallelujah somebody!

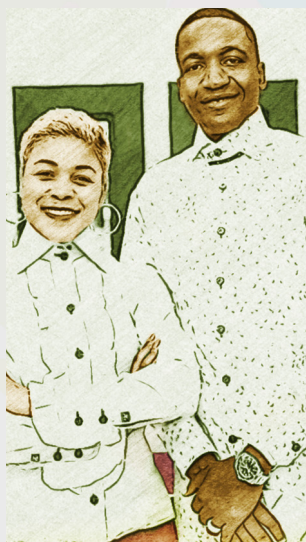

**PROPHETIC DECLARATION**

I have sat down in the heavenly places in Christ Jesus. I permanently stay under the shadow of the Almighty. No weapon ever formed against me can prosper! Amen.

### 1 Thessalonians 5:17 (ICB) Never stop praying.

Hey kids, we have an exciting adventure this week as we delve into one of my favourite books, Prayer Banks. I know that you are reading The GoodNews Daily from all over the world. I am based in the UK and when I want to buy something from a shop, I use British pounds. In Zimbabwe, dollars are used. You might be in India; rupees are the currency there.

When writing the book Prayer Banks, I learned that Prayer is the currency of the kingdom. In other words, it is the means of exchange that we use as Christians to “purchase” items in the spiritual realm. If you pray little, then you cannot expect great miracles in your life. When you pray, you are paying into your heavenly account so when a problem takes place, you can withdraw a miracle or the solution. If I have £10 in my account, then I cannot take out £20. Why? Because I do not have £20 to withdraw. Prayer is like this.

Ask yourself now, “Do I pray?” and “How much do I pray?” “Am I happy with the results I am seeing?” Only you know the answers so be honest.

## PROPHETIC DECLARATION

Prayer is the currency of the kingdom. The miracles, signs and wonders in my life are directly linked to my prayer life. It is time to go deeper! Amen.

Philippians 4:6-7

### John 3:16 (ICB)

For God loved the world so much that He gave His only Son so that whoever believes in Him may not be lost, but have eternal life.

Did you know that many people keep their money in a bank? This is a place where a person can put (deposit) their money and take it out (withdraw) it too.

Let us now link this system to Prayer Banks: opening a bank account is very easy, a person must receive the life of Christ and become a child of God. The LORD Jesus Christ is the Bank Owner. There is an account available for everyone, no-one will ever be rejected but it is the person's choice whether they

want an account or not.

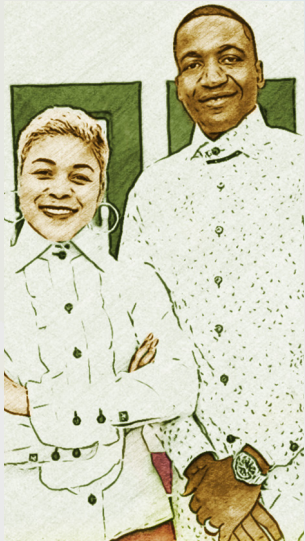

An account gives you the power to pray to the LORD (deposit prayer) and to receive answers (withdraw). The more prayer you deposit into your account, the more miracles, signs and wonders you will see in your life (withdraw). Kids, are you getting this? God sacrificed His only Son so that He could win the whole world. It is up to the person to receive Him and to start an eternal relationship (open an account). Make it a priority to know the LORD today, as it will be the best decision of your life.

## PROPHETIC DECLARATION

I am loved by Almighty God. He has given me access to call Him my LORD. I have an account in the Bank of Heaven, and I am thankful! Amen.

**Acts 19:13-15 (ICB)**

But some Jews also were traveling around and making evil spirits go out of people. The seven sons of Sceva were doing this. (Sceva was a leading Jewish priest.) These Jews tried to use the name of the Lord Jesus to force the evil spirits out. They would say, "By the same Jesus that Paul talks about, I order you to come out!" But one time an evil spirit said to these Jews, "I know Jesus, and I know about Paul, but who are you?"

"His bark is bigger than his bite" is a common phrase used for someone who has a lot of talk but when it comes to action, he does not show any results! This was what happened in the account we are talking about today. The sons of Sceva did not have a bank account (they were not Christians). They had no relationship with the LORD Jesus Christ.

Kids, you cannot walk into a bank and make a withdrawal or a deposit without a bank account. You must open an account first. The demons knew that Paul had an account, they knew Jesus but as for the sons of Sceva, there was no record of their account anywhere! In addition to this, the sons of Sceva wanted to withdraw deliverance (casting out evil spirits) but they did not have any prayer deposits to back up what they were asking for.

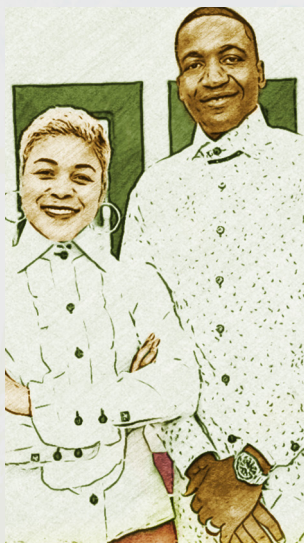

Do you want to see the power of God in your school, in your family? Then you must make prayer deposits before drawing out the power of God.

**PROPHETIC DECLARATION**

Prayer is the key to seeing the miraculous in my life. The more I deposit prayer, the more I can withdraw the miraculous power of God. Hallelujah! Amen.

But one time an evil spirit said to these Jews, "I know Jesus, and I know about Paul, but who are you?"

When you go out with your parents and they meet someone they know in town, sometimes you may hear the person say, "Doesn't he / she look like their dad?" In other words, the person is saying that you are the exact image of your father. It may go further, and the

person says, "He / she even smiles like him." Your very manner reminds the person of your dad!

When the sons of Sceva tried to use the name of Jesus, they did not realise that to use the name of Jesus, you need to have the character of Christ. Ask yourself, "Do you look like the LORD? Do you behave like Him? It is important for you to have the character of Christ for you to be able to use His Name. You can have a relationship with Him, you can have prayer deposits in your account but to be effective and have impact in His kingdom, you must take up His character.

Start today by having the character of Christ Jesus!

Steven used to do chores around the house and his mum and dad would give him a coin to encourage him to keep it up. It was the school holidays, and doing chores was a good way for him to stay busy and not just watch TV all day. He was excited to see how much he had in his money jar. He had a picture of a toy he wanted next to the money jar, did he have enough to buy it?

Kids, in the scripture for today, Peter said to the lame man that he could give him what he had. At that time, he did not have any money, but he did have the healing power of God! This is so important and a principal in the kingdom of God! You can only give what you have. In line with prayers, you can only receive answers based on the deposits you have made in your prayers. Do you see that?

Make prayer your lifestyle today and see supernatural results as you do!

When you pray, you should go into your room and close the door. Then pray to your Father who cannot be seen. Your Father can see what is done in secret, and He will reward you.

Hey kids, check out this fun fact about the terrific tiger! Did you know that tigers are solitary hunters, in other words they hunt alone? They generally search for food at night. This is interesting because prayer is a little bit like this.

There are different types of prayer including those where you come together with other children of God to pray together and agree about something you are asking God for.

In today's scripture however, Jesus was talking about the kind of prayer that requires us to pray alone. It is not the type of prayer that everyone knows about, no! This type is one that you do in secret, that only Your Father sees. It is this prayer that forms your daily lifestyle and causes you to pray continuously, keeping your prayer bank in credit!

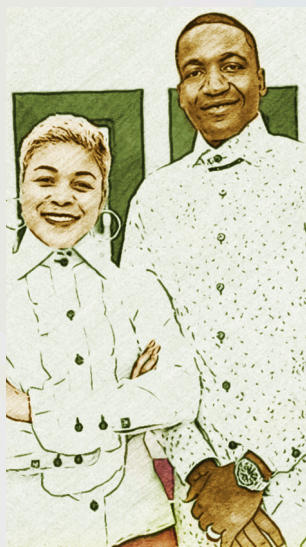

Kids, learn to love praying alone, developing intimacy with the LORD. It is by doing this that you deepen your relationship with Him.

The human mind is brilliant, with amazing abilities that very few people are making use of. There are those who are very good at planning and making decisions, especially in difficult situations. The LORD Jesus Christ was the greatest of all, being an Extraordinary Strategist.

Earlier in Chapter 14, Jesus sent the crowds of people away so that He could go up to a mountain to pray. He remained there alone until evening (verse 23). Later, we find Him healing the sick (and there were many). Jesus was constantly filling His prayer bank, which is why He was able to perform such miracles. He knew the secrets to prayer banks and led them by example.

Butterflies are beautiful creatures. They are also rather fascinating. The growth process for the butterfly is clearly defined into stages within its cycle. Although it starts off as an egg, it does not remain an egg. It goes through a few phases to finally become a butterfly.

The Deeper Life Phase began back in September 2022, however,

do not make the mistake of thinking that it is a phase. It is in fact a way of life, a way of living that we have fully adopted. In this year of milk and honey, let us not forget that the Deeper Life Phase continues!

Start today by growing in the grace and knowledge of our LORD Jesus Christ by reading the Bible and praying.

For example, did you know that palm tree roots grow between 12 and 36 inches long and unlike other tree roots, they grow horizontally, not straight down? Why do they grow horizontally? To absorb as much water and nutrients as possible.

GoodNews to you kids, have you heard of cedar before? Check out this fun fact: Cedar trees are native to Lebanon and other countries like Turkey and can grow up to a whopping eighty meters! They are tall, strong, and able to withstand challenging weather conditions.

As a child of God, it is the Word of God and prayer that causes you to grow strong spiritually and overcome any situation that you may be in. As you go deeper, this is even more important because you can only grow according to the knowledge of the Word of God that you have (2 Peter 3:18).

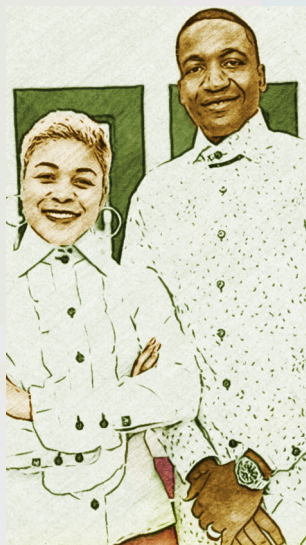

The Deeper Life Phase is all about growing spiritually and not staying in the same place as you were six months ago. Come on kids, let's grow!

They will be like trees planted in the courtyards of the Lord. They will grow strong in the courtyards of our God.

When I was younger, I remember planting seeds at school and watching eagerly to see them grow! The process of planting seeds now has not changed. Sometimes, I wanted to move the seed around in the soil to encourage growth, but my efforts were in vain. The seed needed to be stable and secure, in one place so that roots could grow downward and the plant upwards.

Kids, when you are planted in the courtyards of the LORD, you remain stable and steady in the Word of God. You are planted in the House of the LORD (your local church) and you do not move around trying to make yourself grow in lots of different places. Our scripture today tells us that when you are planted in the courtyards of the LORD, that you grow strong there.

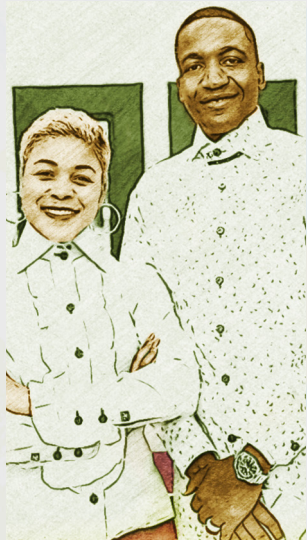

Be rooted in the Word of God and allow those roots to go down deep!

You will never see them when you go to the beach because the waters there are simply too shallow. That is just awesome!

In the same way, there are some aspects of God that you can never see if you remain at the superficial level of knowing His Word. It is the glory of God to conceal (hide) a thing, but the glory of kings is to search out a matter (Proverbs 25:2).

Why settle for surface Christianity kids, when God is inviting you into deeper realms with Him.

But the people who trust the Lord will become strong again. They will be able to rise as an eagle in the sky. They will run without needing rest. They will walk without becoming tired.

The eagle is one of the most fascinating creatures and it never ceases to amaze me how God has so wonderfully made such animals. One question I have also asked myself is: How does the eagle fly so high? I mean, how does it do something that other birds cannot?

I found out that the eagle uses the sun's heat to its advantage. When the sun heats the ground, it causes warm air to rise. It is using this warm air

that eagles stretch out their long, broad wings and glide on the rising warm air updrafts. Do you see that? When other animals are looking for shelter from the heat of the sun, the eagle uses the heat to its advantage.

Kids, no matter what situation you may be facing with your family, school, or friendships, you have overcome all of it. At times, it may feel "too hot" for you to cope but my Bible tells me that you are more than a conqueror through Him who loved you.

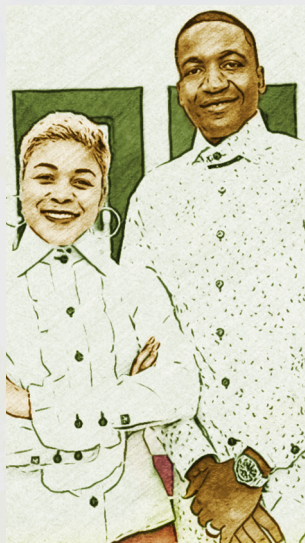

Use the Word of God to soar on eagles' wings!

## PROPHETIC DECLARATION

Thank You Lord for Your loving kindness and Your tender mercies. I choose to be thankful, and I bless Your Holy Name. Amen.

**Hebrews 12:2 (ICB)**

Let us look only to Jesus. He is the one who began our faith, and he makes our faith perfect. Jesus suffered death on the cross. But he accepted the shame of the cross as if it were nothing. He did this because of the joy that God put before him. And now he is sitting at the right side of God's throne.

You have learned so much this week about all the animal creatures we have been talking about. Let us end with just one more fact about the incredible eagle: Did you know that the eagle's eyes are so huge that they fill most of its skull! This is so that the eagle can function with 20/4 or 20/5 vision, meaning that they can see four or five times farther than the average person with perfect 20/20

vision. Wow!

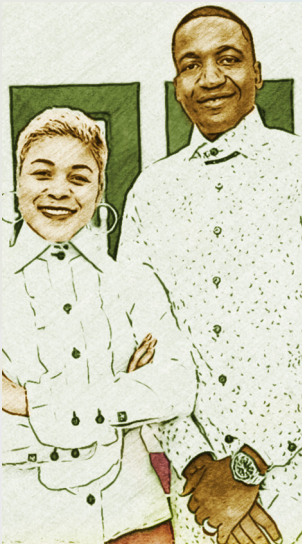

Kids, in our scripture today, we are told to look only to Jesus. In other words, you are supposed to have super vision to see Jesus in everything that you do and in everything that you say. Fixing your eyes upon Jesus is like an eagle that fixes its eyes on its prey. Jesus is the Beginning, and He is the End. He is also everything in between, and it is in Him that we live and move and have our being. If there was ever a time to take your relationship with God seriously, it is now.

**PROPHETIC DECLARATION**

**My eyes are fixed upon Jesus. He is the Author and Finisher of my faith. I let go of every weight that can hold me back, and I set my eyes on the prize. Amen!**

Faith means being sure of the things we hope for. And faith means knowing that something is real even if we do not see it.

Do you have a favourite story that you love to share with anyone who will listen? I have many but this one is a great way for me to explain in simple words what faith is.

There were two archaeologists (people who study things from the past to understand what people were like and how they lived). They had a dinosaur bone and were doing their research about dinosaurs. The bone represented evidence of what they could not see (the dinosaur). In other words, the bone was proof that dinosaurs were real. Suddenly, a dinosaur roared behind them. Did they need the bone anymore? No! They had the real thing; the bone was no longer needed.

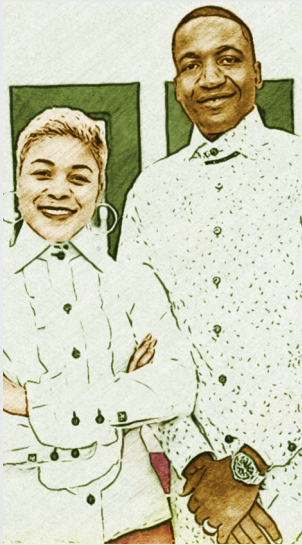

Kids, the things of God don't make sense, they make faith. Remember that without faith, it is impossible to please the Lord. When you walk with the Lord, faith is your common sense!

## PROPHETIC DECLARATION

I walk by faith and not by sight because I am a child of God. Without faith it is impossible to please the Lord. I please Him by faith. Amen.

Ephesians 1:18 (ICB)

I pray that you will have greater understanding in your heart. Then you will know the hope that God has chosen to give us. I pray that you will know that the blessings God has promised his holy people are rich and glorious.

Sammy stood curiously in the kitchen with his mum, while she was cooking his favourite meal. He could not understand why he needed a cloth on top of his clothes and his mum was not answering him. She simply said, "Sammy, just put it on, listen to mummy."

Kids, God does not owe you an explanation, He owes you revelation. In other words, God does not need to explain to you why He is saying what He is saying. What you need is a greater understanding in your heart, that the eyes of your understanding be enlightened. God owes you light to understand what He is saying, so that you can apply it in your life, and see it work!

Today, open your heart to receive God's revelation and see your life go upwards in Jesus Name.

The eyes of my understanding are being enlightened. I may have a greater understanding of God's Word in my heart and apply it in my life! Amen.

You are young, but do not let anyone treat you as if you were not important. Be an example to show the believers how you should live. Show them with your words, with the way you live, with your faith, and with your pure life.

Talk is cheap! It is so funny to me that even though we have one mouth and two ears, many of us talk twice as much as we listen! 2024 is not a year of idle talk but a year of action!

Kids, talking or speaking the Word of God is vital. When you “hagar” (meditate) the Word, your words are objects and form your reality.

Yes, this kind of talk is very important. Yet, adding action to your meditation is also equally important. You cannot keep saying, “I am prospering and am in health, even as my soul prospers”, if you do not start a business of some sort. What skills do you have? Which products can you sell to your friends at school, or neighbours? What can you do to help them?

You are not too young to put the Word to work kids. Remember, you are a proof producing Christian in this year of milk and honey!

## PROPHETIC DECLARATION

I am a proof-producing Christian, and I will not allow my age to stop me from putting this Word to work, in Jesus’ Name. Amen.

**Mark 4:40 (ICB)**  
Jesus said to his followers, "Why are you afraid? Do you still have no faith?"

Have you ever felt frightened of something? It happens to so many people! Jesus and His disciples were in a boat across the Sea of Galilee. A violent storm came, erupted, and threw the boat around. The disciples became frightened, and Jesus stood up and stopped the storm, in an instant it was calm.

The Word of God is like a mirror. It shows you who you are. If you don't read the word or pray, even a piece of paper flying around you will scare you. Jesus spent time teaching everyone. The disciples did not use the Word that they learned. From today, be a doer of the Word. Do what the scriptures tell you to do, and you will shock yourself!

## PROPHETIC DECLARATION

From today, I refuse to be a doubting Thomas. I will follow the scripture, I will do what the Word says, in Jesus Name. Amen.

Have you ever noticed that people sometimes hide something that they can do? Perhaps they hide a talent or gift, so no-one knows what they can do. Kids, you are a city that cannot be hidden!

A city has big lights (Photizo in the Greek). You have the Light that can lead others to Christ. You have a built-in police station; you are protected on every side.

You have a fire station within you, God gave us the power and the authority to function like Him. Your prayers can bring fire to any problem.

Be a blessing to others. Use the Word that is in you to help others. In the business of the day with school, family, homework, practise the Word of God daily. You are a city on a hill, and you cannot be hidden!

Healing is easy because you are not the healer, Jesus is the healer. Your job is to lay hands on the sick and to see them recover. You can make Word work. Tell yourself it's God's way or no way. If you know anyone who isn't feeling well, it is time to exercise your faith. The Word will work for you. Do not let your faith expire, use it. Amen.

Sam was acting like he was not good at tennis; however, all his friends and teachers knew he was gifted at it, but because Sam had to go against the record holder from another school for the first time, he was nervous. What would you do if you were Sam?

The scripture above tells us that we can do all things through

Christ, which means that we can do all things, not one thing. The bible tells us that Christians are known by their fruits or the good things they do. Imagine this, you are a Christian who does not produce any fruits. What will happen to people who want to be Christians like you? They will be very sceptical towards Christianity. From today, take this scripture literally and do those challenging things because Christ gives you strength!

### Ephesians 2:8 (ICB)

I mean that you have been saved by grace because you believe. You need not save yourselves. It was a gift from God.

What is grace? Grace is getting something you don't deserve. Sometimes we wonder if we deserve anything after we mess up, but still get presents from our parents, that's exactly what grace is. You cannot earn it.

Jesus died for us, and we received grace. It is not our actions that make us acceptable to the

Father. To receive grace from God does not come from what you do, it is a gift from God. Grace is not based on whether you are reading the bible enough, being good all the time, going to church. You should never doubt God's grace, Christ did it for you. Grace is receiving VIP treatment that we do not deserve. Walk confidently today in the knowledge that you are a trophy of God's grace!

## PROPHETIC DECLARATION

Do you want the best in life? Start your day by prayer and reading your daily devotion. Tyler was chosen as best footballer of the year in his school, he worked so hard. Elected by grace means chosen by God without works. God has elected those who understand

grace instead of those who depend on their works.

Tyler was chosen because of his own works and his own effort, but you can live a life where you can be chosen because of the grace of God in your life. You are a grace collector, and you can get ahead because you have been elected by grace.

You are already given grace and peace, now it is up to you. What are you going to do with what you have already been given. Knowledge of Jesus Christ gives you more grace and peace, read the word to gain more knowledge of Christ. As you read the GoodNews Daily today, you are growing in grace. He has already given you peace and grace, He did not say I may give it to you. It has already happened. Today expect a peaceful day, grace and peace are yours. Amen.

And God can give you more blessings than you need. Then you will always have plenty of everything. You will have enough to give to every good work.

Have you ever heard people saying, so and so has everything. Do you know why? It is because grace has nothing to do with you or anyone. Grace has everything to do with God.

God has made lots and lots of grace available, but you are the one who decides how much you will receive. His grace has provided everything, not a little but everything through Jesus Christ. There is absolutely nothing you can do to earn it and nothing you can do to lose it. Put your faith in what God has done, not in what you do. It is your God given right to have a life without sweat. God wants to show off through you. Decide to receive an abundance of grace and do not limit yourself. Amen.

From Paul, an apostle. I was not chosen to be an apostle by men. I was not sent from men. It was Jesus Christ and God the Father who made me an apostle. God is the One who raised Jesus from death.

If you are offered a plane ticket or a map to walk to the same destination, which offer would you take? a plane ticket right, who wants to walk over the ocean? That is grace.

In the kingdom of God, we are made free without meeting the standards of this world. We met God's standard by grace. Paul did not want to listen to what the world was saying, in the same way, we are in Christ. What happens in the world is for the world. If you listen to what others are saying, you can get the wrong information. As a child of God, read your bible, check what God is saying. The Word of God has knowledge that goes beyond the world's knowledge.

## PROPHETIC DECLARATION

I am a written epistle, and I have the true Gospel that the world needs to hear. I will spread the Gospel everywhere that I go. Amen.

John 8:36

**Romans 6:1-2 (ICB)**

So do you think that we should continue sinning so that God will give us more and more grace. NO! We died to our old sinful lives. So how can we continue living with sin?

Jesus said in this world we will have troubles, so we know challenges will come, they do not care how old you are. Your reaction is what separates us from others. When they come, you remain calm.

Grace empowers a Christian lifestyle, motivating you to love, not thinking about bad things you have done in the past. All our sins were forgiven when Jesus Christ died on the cross. When you see a wallet falling out of someone's pocket you pick it up and hand it over to them. You are driven by the love of God in you according to your nature of God, not of sin.

Grace gives you power over sin. Meditate on this eternal truth today and be empowered!

**So, what should we do? Should we sin because we are under grace not under law? No!**

When you are a certain age, you can learn to drive and when you pass, you receive a licence. This document proves that you can drive legally, but just because you can drive does not mean you can speed and drive however you want.

The same applies with the scripture above, just because you are under grace and you know God will always forgive you, does not mean that you can just do whatever you want. Grace gives you power to say no to sin. The love of God in your heart, and Christ in you gives you the power to be an example and live a Christ filled life. From today, walk in love because that is your identity.

When you look at creation, everything produces after its own kind. In other words, dogs give birth to dogs, cats give birth to cats, horses give birth to horses and so on. There is nothing that creates something other than what it is.

The scripture today tells us that you are gods! Yes you! This is exactly how the Lord Jesus sees you. The same way all those animals created after their own

kind. God created us, and we were born gods.

This is what Adam and Eve did not understand, which is why the devil was able to convince Eve to eat of the tree. They didn't know who they were. So today kids, walk with an understanding of who you are in Christ.

When you first meet new people, they might ask who you are, who your parents are? You might tell them your name and your parents' names. That is factual but do these facts really tell you who you are in Christ?

God says you are His son, his daughter, you belong to Him, and that He made you to be exactly as He is. The bible says do not be

shaped by this world. Instead, be changed inside by a new way of thinking. From today be bold, you are His child. Accept that righteousness (right standing with God) has been granted to you for free, as a child of God. How powerful is that? Your testimonies and your behaviour should be able to show people around you that you really are a child of God.

**In your lives you must think and act like Christ Jesus.**

There is an expression used when describing a computer which is garbage in garbage out (GIGO). What that means is whatever you put into a computer system is what will come out. If you put rubbish data in, rubbish data will come out. But if you put good data in, good data will come out. The computer is not the issue but what you put into the computer.

The same is with you, whatever you fill your mind with is what will come out. The Bible verse today says we should think like Jesus. You already have the mind of Christ; you need to believe that. Christ's mind does not think He cannot do anything. Christ does not doubt Himself. He does not think negatively. He does not think that anything is too hard. That is the same mind you have. When you understand that you think like God, you will produce results like God.

Now some of you may try your best so that you receive these kinds of awards and so everyone can see how great you are. However, in today's scripture it talks about being a light and doing good things so that God can be praised.

Everything you do should bring glory to God not you. This opens opportunities so you can share the gospel. When people ask how you are good at something, tell them it is because of the Jesus on the inside of you.

Do you know when you are on the job you do not sleep on the job? If your boss can find you sleeping, you will lose your job. We have a responsibility to bring people to Christ. That is our full-

If you keep doing the same thing repeatedly, you will continue to get the same results. Today's scripture tells us that, when Christ comes, we will be like Him. God wants us to be like him, so you have the power of God in you. The bible says some people

accepted him.

They believed in Him, and he gave them the right to become children of God. You can function like Him, act like Him, talk like Him, walk like Him. If you understand what God has done for you, nothing will stop you. Stand out from the crowd, be more Christ-like.

David was bold in his declaration; he knew he could ask God anything and He would do it. Many people still do not get it. If Sam had the same mindset as David, he would not have had any questions or doubts. Sam needed to declare healing over his painful leg. When you are in trouble tell God what you want, just like the blind man in the verse above. He is here to do what you cannot do yourself.

Adults will say so and so is not a morning person? It is never the case of being irresponsible, even after the alarm goes off, they ignore and go back to sleep. Have you ever thought of involving God with things like that?

As much as we can try to do big things through our own human effort. God gave us the Holy Spirit, who is the most powerful person in the universe. Regardless of how small your situation is, include God. Before you open your eyes, thank God for the gift of life, share your day with him, tell him how excited you are about tomorrow. Let's be honest, people can disappoint you sometimes. That's why you must never put your trust in someone else. But there is someone who will never disappoint you and that is Jesus.

The scripture says remain in Him; can you imagine that in the same way the branch bears fruit is the same way we are connected to God. You are connected to Him and a partaker of His grace. Without him you are unable to do anything. It's a different kind of life kids. We serve God of more than enough. I am very happy in the Lord that you have shown your care for me again, but you continued to care about me, but there was no way for you to show it

How hard do you think it is for people to rely on God? Some people say they rely on God however when a small hurdle in their life comes, their confession completely changes.

It did not matter what Paul did before. Most people live in fear because of what they did before.

God does not look at your past. It is an old trick the devil had used to scare people. Enjoy peace without fear. God doesn't hold grudges. It is impossible to read the bible and not realise that we are safe in God. We do not need anyone else in our lives. God is able and more than enough for us. From today, do as Paul did trust God, He is a loving God.

Be full of joy in the Lord always. I will say again, be full of joy.

When we think of the words joy and happiness, a lot of people confuse the two. They both give us pleasure however there is a key difference between them. Happiness is based on happenings and is temporal (subject to change). So how you feel is determined by what is happening around you. Whereas joy comes from the Lord and is eternal. Joy comes from within.

The joy that you receive from Jesus, is a level of joy that nothing and no one can give you. It is a joy that you can have even when things look like they are not going your way. You do not allow situations to change you, but you are the one who changes situations. This is because you understand who you are and whose you are. Kids, choose joy always.

Goliath was the biggest, strongest giant, he defeated everyone who challenged him, but young David was not afraid of the giant. He knew exactly what to do to defeat Goliath. Goliath looked at David and laughed, but David

looked at him and said, you came with a sword, I come with God on my side. And just like that, giant was defeated.

Kids, with everything you do, do not do it with your strength, do it with God. He will fight for you. With Him you are more than a conquer through Christ who strengthens you. God did it for David, and He will do it for you too!

Now I want you to think of what is the biggest thing that you want to receive from God. No matter how big the idea is, the bible is telling us that He can do more than what you just thought. That is something to shout about! Do you see the God you serve! He can do more than you can think of or imagine. Do not limit what God can do by how you pray and what you ask Him for, you serve a big God!

Telling others about Christ does not have to be complicated. If you find someone talking about their favourite sport, talk about the sport too. This will make them interested in you too. You can say something very simply like, let me tell you what Jesus did for me. Tell them about your testimonies, offer them the GoodNews Daily. She was so upset. Her mum suggested instead of sitting at home she should join her for evangelism. She agreed and began to be excited to see her church friends.

Although she had received bad news, she did not allow it to steal her joy. She met so many kids and she was able to tell them about Jesus Christ. Even though some of them were in the same situation as her, she managed to comfort them in a positive way. Kids, always look at the positive side no matter what. 3

The LORD Jesus Christ is my location. I am surrounded by Him on every side, and I am in Him. When I walk, He walks. When I talk, He talks. When I give, He gives. As He is, so am I in this world.

At school a class monitor is responsible for making sure the class behaves. The class monitor has been given power or exousia [ex-ooz-ia] and it means the authority to control. The student may be smaller than others or not good at sports but every student big or small listens to them because they know they must follow the monitor's instructions. Misbehaving students are not

afraid of the monitor but of the authority of the school that backs the monitor.

Kids, God gave us more authority or exousia than the enemy meaning everything you command must obey. Have you practiced using your authority?

You are a king and prayer is your guard going ahead in time to tomorrow, or even next week to cancel any surprise sickness or danger and make sure that everything works out the way you've declared it. This is why Elisha was not afraid of the army surrounding them because those angels were a result of a prayer he had made in advance. Today send your guard.

Obey your leaders and be under their authority. These men are watching you because they are responsible for your souls. Obey them so that they will do this work with joy, not sadness. It will not help you to make their work hard.

The Holy Spirit does not easily get frustrated but one of the easiest ways to do that is by disrespecting leaders. Many Christians think that it's okay to speak negatively about leaders especially if those leaders have done something wrong. It may feel

sincere, but it is sincerely wrong, and never acceptable!

It is not okay because you stop the work of the Holy Spirit in your life. God has placed those leaders above you to watch over you and pray for you. Obey them so that will do this work with joy, not sadness. This is what the scripture says. Honour such leaders and pray for them.

**Romans 5:17 (ICB)**

One man sinned, and so death ruled all people because of that one man. But now some people accept God's full grace and the great gift of being made right with him. They will surely have true life and rule through the one man, Jesus Christ.

Before the Lord Jesus died and rose from the dead, sin ruled the earth. There was no hope for the future and people lived in constant fear of punishment from God. The GoodNews is that the Lord Jesus destroyed sin on the cross so that we could enjoy the

same relationship He had with God.

We don't have to live in fear thinking God is punishing us for every wrong thing we did because the Lord Jesus took every punishment meant for us on the cross. Glory!

**PROPHETIC DECLARATION**

Thank you, Lord, that because of what you did on the cross, all things are possible. I can have joy, peace and prosperity in my life. Glory be to God Amen.

### Matthew 8:17 (ICB)

He did these things to make come true what Isaiah the prophet said: "He took our suffering on him. And he felt our pain for us."

Before the Lord Jesus came to Earth, there was no hope for people who had incurable sicknesses. The moment they became ill they knew it meant death. The GoodNews is that the Lord Jesus took every sickness on the planet when He was on the cross so that we wouldn't have to experience sickness ever again.

This is why you should not tolerate any pain or sickness in your body kids because the Lord already felt it on Himself so you would not have to. Every sickness whether curable or incurable by doctors, has no right to be in your body! Amen.

## PROPHETIC DECLARATION

I command every sickness to check out in the Name of Jesus Christ. Every suffering the enemy has planned for me I cancel it by the authority of the Holy Spirit! Glory be to God. Amen!

### Philippians 2:6 (ICB)

Christ himself was like God in everything. He was equal with God. But he did not think that being equal with God was something to be held on to.

It's a mistake to think Christianity is a religion or its people are followers of Christ. God's plan was to come down to Earth and make you exactly like Himself. You see, He wanted children that would be gods ruling the Earth not followers.

In the Bible we never saw the Lord Jesus following God, instead

He called God His Father and He was the Son. We must think like the Lord and know that we are sons of God and not followers. We have His divine nature as gods! Amen.

## PROPHETIC DECLARATION

I am more than what I think! I am not a follower of Christ but a child of God. I am not human, I am a god, and I am not of this world. Hallelujah. Amen!

**John 17:23 (ICB)**

I will be in them, and you will be in me. So, they will be completely one. Then the world will know that you sent me. And the world will know that you loved these people the same as you loved me.

Our verse reveals the reason the Lord Jesus endured the crucifixion and rose from the dead; He desired to be one with us! It's part of a prayer He prayed before He was taken to the cross.

You see, God doesn't know what it's like going to school or playing games in your body. He wants to experience what it would be like to be the Lord Jesus in your body. He needs your body to be on Earth and wants to do everything He did when He was here but 1 million times greater in you.

**PROPHETIC DECLARATION**

I will walk boldly with my head held high because I am God undercover! I will never be ashamed or afraid again! I am one with God! Hallelujah, Amen!

### Colossians 2:15 (ICB)

God defeated the spiritual rulers and powers. With the cross God won the victory and defeated them. He showed the world that they were powerless.

Superheroes sacrifice their lives for the world, and this is why we celebrate Easter. The Lord Jesus died and went to hell so that we wouldn't have to. In hell He defeated and embarrassed the enemy and his minions. Not only that, but the Lord also took the keys of death and hell from the enemy.

The Lord took the enemy's own house keys! That's not all, He rose from the dead to show us death has no power over us anymore! Kids if that is not a superhero, I do not know what is! Today, celebrate what the Lord did for us! Hallelujah.

## PROPHETIC DECLARATION

The enemy has no right to touch me in anyway because he was humiliated by my Superhero the Lord Jesus. Glory be to God, Amen.

### Romans 5:17 (ICB)

One man sinned, and so death ruled all people because of that one man. But now some people accept God's full grace and the great gift of being made right with him. They will surely have true life and rule through the one man, Jesus Christ.

Do you notice how our verse says, "some people accept"? Not everyone will believe and accept what the Lord Jesus has done for us. It's a choice and those who choose to believe will have an abundant flourishing life as kings

here on Earth.

This is the reason you see some Christians experiencing so much favour whilst others are not because they choose not to accept what the Lord did. Simply accept and believe in what the Lord has done for us and watch how your life will thrive! Amen.

## PROPHETIC DECLARATION

I choose to accept and believe the Lord died and rose again defeating the works of the enemy. I have been made right with God through my faith in Christ Jesus. Amen.

John 16:31

**2 Corinthians 5:17 (ICB)**

**If anyone belongs to Christ, then he is made new. The old things have gone; everything is made new!**

Kids here is a secret; you are not the reason for Christ dying and nor did He die for you. Think about it you didn't exist when He died. The moment you accepted that the Lord rose from the dead Christ entered you and replaced your life with His own making you a brand-new creature that never existed before. One that doesn't know sin or sickness because you

were born from above.

Now you do not have to try to be good or right with God because Christ in you is already good and right with God making you a god. You are the result of His resurrection kids. Happy Easter!

**PROPHETIC DECLARATION**

**I choose to accept and believe the Lord Jesus died and rose again defeating the works of the enemy. I have been made right with God through my faith in Christ Jesus. Hallelujah, Glory!**
